The foregoing appears to be the latest of a series of occurrences in the headquarters of the SCLC indicating dissatisfaction, and in some instances dissension, within its ranks. Because of the past history of communist influences on the SCLC, this matter should be closely followed, particularly for situations which might be exploited under the counterintelligence program. Keep the Bureau promptly advised of pertinent developments and submit recommendations for action you deem appropriate. Take no counterintelligence action without prior Bureau authority. *U*

NATION OF ISLAM, formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

~~CONFIDENTIAL~~

In January, 1957, a source advised Elijah Muhammad has described his organization on a nationwide basis as the "Nation of Islam," (NOI) and "Muhammad's Temples of Islam." U

On May 8, 1964, a second source advised Elijah Muhammad is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, Muhammad and other NOI officials, when referring to Muhammad's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam." U

The NOI is an all-Negro organization, which was originally organized in 1930 in Detroit, Michigan. Muhammad claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following Muhammad's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon." U

In the past, officials and members of the NOI, including Muhammad, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States. U

On May 5, 1958, the first source advised Muhammad had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization. U

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

On May 7, 1964, a third source advised Muhammad had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to Muhammad, would help him acquire additional followers and create more interest in his programs. **J**

ReBSlet to Bureau and Atlanta 9/22/65 and enclosed LHM of same date, both dual captioned "Cominfil, SCLC, IS-C; Racial Situation, Springfield, Massachusetts, RM." U

Relet set out lead for Birmingham to conduct credit and criminal checks and contact logical sources concerning a Mrs. Girlie A. Davis. However, copies of referenced communications were not designated for Birmingham. U

Investigation concerning Mrs. Davis was initiated in order to determine with which group she was connected in connection with a racial activity at Springfield, Massachusetts, and to determine if she had any subversive background. Boston inquiry developed no subversive information concerning Mrs. Davis who has been in the Boston area for the past few years although she had been married in Birmingham, Alabama. U

On the basis of the information known, the Bureau does not deem necessary any further check concerning Mrs. Davis at Birmingham. In the event Birmingham should be forwarded copies of referenced communications, disregard lead. U

COMMUNIST INFILTRATION OF SOUTHERN

MARTIN LUTHER KING, JR.  
SECURITY MATTER - C

On September 28, 1965, a source, who has furnished reliable information in the past, advised that the Southern Christian Leadership Conference has reserved the dates of October 6, 7, and 8, 1965, at the Firestone Boy Scout Reservation, Carbon Canyon, Orange County, California, for a "training conference". Source did not know how many were expected to attend this training conference but the camp has facilities to accommodate up to 200 persons overnight. U

The camp was reserved for the conference by the Reverend Thomas Kilgore, Jr. of the Western Christian Leadership Conference, 2400 South Western Avenue, Los Angeles. The Reverend A. A. Peters, Minister of the Victory Baptist Church, 4802 Mc Kinley Avenue, Los Angeles, who also represents the Western Christian Leadership Conference, indicated that there is a possibility that Martin Luther King, Jr. would be here for all or part of the training conference and if so would personally conduct some of the training sessions. U

Source did not know the specific purpose of the training conference or the nature of the training that would be afforded those in attendance. U

PERSONAL ATTENTION

COMINFIL  
SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE (SCLC)  
INTERNAL SECURITY - C

As recipient offices are aware, the Bureau for some time has been conducting captioned investigation because of demonstrated communist influences on the SCLC, particularly as they pertain to its leader, Martin Luther King, Jr. For the information of Chicago and New York, Atlanta is presently in the process of reactivating a former security informant who is

b7D

It is now desired that further positive steps be taken to attempt penetration of the SCLC through additional live coverage. Targets for such coverage are primarily (1) the Headquarters at Atlanta; (2) the New York City Office of the SCLC; and (3) the current SCLC operation in Chicago. Penetration of the latter would, of course, depend on how permanent the SCLC operation is going to be in Chicago, it being noted that it has only recently moved into that area. The Bureau will consider the possibility of directing established security informants into the SCLC in an employment status, or otherwise, in order to effect the penetration desired. Such action, of course, will first require Bureau approval.

In accordance with the foregoing, New York is requested to advise as to what the current SCLC Office setup is in New York City. A key question to be answered is the number of employees presently there. If it is a one-person operation, the likelihood of penetration would, of course, be remote. On the other hand, if there are several people employed, we should explore the possibility of penetrating that office. New York should also advise as to whether or not it has any established security informants who would be deemed suitable for possible penetration of the SCLC whether it be in New York City, Atlanta or Chicago. Of course, no discussion of this matter should be had with informants at this time.

The Chicago Office is requested to make similar replies to the Bureau as was requested immediately above for New York. Cover both facets of this problem, that is, what the Chicago SCLC operation consists of and what informants might be suitable for penetration in either of the three cities involved. Do not discuss this with informants at this time. U

Atlanta, as origin, is requested to furnish its general observations concerning this matter and any suggestions it may have which would be helpful in further penetrating the SCLC through live informant coverage. U

Investigation at 236 West Genesee Street, Syracuse, New York, reveals offices at that location identified on the windows as the ~~"Youth Public Center"~~, ~~"Crusade for Opportunity Inc."~~, ~~"Syracuse Action for Youth"~~. These agencies are apparently sponsored by the Office of Manpower, Information and Training, U.S. Department of Labor. U

A pretext telephone call to these offices ultimately resulted in the location of a Minna Buck. The caller indicated that he was a friend of Griffin who is from New York. Buck stated that Griffin had not yet appeared at Syracuse but that he would enter on duty on October 1, 1965 at these offices. This pretext call was made on September 15, 1965. U

U Minna Buck has long been known to the Albany Office of the Federal Bureau of Investigation as an individual who has been associated with the New York State Peace Council ( a local pacifist group ); with the Women's International League for Peace and Freedom, as a corresponding secretary for the Syracuse branch during 1962 and 1963 and whose membership has continued through 1964; and as an individual who joined in a plea for clemency during 1962 with the Syracuse Sobell Committee. SYRACUSE SOBELL COMMITTEE (SSC)

On July 10, 1959, Reverend JAMES H. MASSEY, 315 Jackson Street, Syracuse, New York, furnished information which reflected that the Syracuse Sobell Committee was affiliated with the Committee to Secure Justice for Morton Sobell, 940 Broadway, New York 10, New York, and that the Syracuse Sobell Committee had been formed for five years. U

114-  
A confidential source advised on May 31, 1963, that the Syracuse Sobell Committee was still in existence and that LILLIAN REINER was the titular head of this organization with ELSIE COHN continuing to function as Treasurer, and JANE ANDERSON and ELIZABETH ALLEN being Co-Secretaries of the Syracuse Sobell Committee. U

Another confidential source advised on January 15, 1962, that the Syracuse, New York Chapter was one of the affiliates of the Committee to Secure Justice for Morton Sobell in the Eastern Region of the United States U

On May 25, 1964, another confidential source advised that the purposes and aims of the Syracuse Sobell Committee were, insofar as this source was concerned, the same as those of the National Committee to Secure Justice for Morton Sobell, namely, to continue to fight for the parole of Morton Sobell and to raise funds on his behalf to carry out this fight successfully. U

On September 14, 1965, the first confidential source observed that the SSC has been in a state of dormancy since the last meeting held in May, 1964, and related that he knew of no activities being planned in the immediate future. U

Another confidential source advised as follows: U

*Do not list.*

As of March 11, 1951, LILLIAN REINER was not known as a Communist Party member, but as Chairman of the American Labor Party at Syracuse, New York, she worked closely with Communist Party members.

(See Appendix for characterization of the American Labor Party.)

As of December 29, 1951, ELSIE COHN was a member of the Communist Party.

As of December 5, 1962, JANE ANDERSON and ELIZABETH ALLEN were long-time members of the Communist Party at Syracuse, New York.

### AMERICAN LABOR PARTY

"For years, the Communists have put forth the greatest efforts to capture the entire American Labor Party throughout New York State. They succeeded in capturing the Manhattan and Brooklyn Sections of the American Labor Party, but outside of the New York City area, they have been unable to win control." (Special Committee on Un-American Activities, House Report 1311 on the CIO Political Action Committee, March 29, 1944, p. 78.)

"Communist dissimulation extends into the field of political parties forming political front organizations such as the \*\*\* American Labor Party. The Communists are thus enabled to present their candidates for elective office under other than a straight Communist label." (Internal Security Subcommittee of the Senate Judiciary Committee, Handbook for Americans, S. Doc. 117, April 23, 1956, p. 91.)

On October 7, 1956, Peter Hawley, New York State Chairman, American Labor Party, publicly announced the American Labor Party State Committee unanimously approved a resolution dissolving the organization and ordering the liquidation of its assets.

Young said that he had recently participated in a meeting between Martin Luther King, Jr., President of the Southern Christian Leadership Conference, the "Leadership Council" and Vice President Hubert H. Humphrey. U

It is to be noted that the September 23, 1965, issue of the "Evening Star," Washington, D. C., reported that Vice President Humphrey and civil rights leaders including King and Young met on September 21, 1965. U

Young related to Lowery that during the meeting with Vice President Humphrey "we" complained about lack of accomplishments in the civil rights field on the part of the Department of Justice. Young said that he raised the question as to why the Justice Department with all its "power" apparently accomplished nothing while the Community Relations Service with practically no "power" was attaining surprising results. Young told Lowery that everyone in attendance at the meeting expressed agreement with this observation. U

Young also told Lowery that he thought that in all probability Vice President Humphrey discussed this matter with President Lyndon B. Johnson because shortly after the meeting a reorganization involving the Community Relations Service was announced. Young told Lowery that he had heard from "some sources" who have connections "on the Hill" that this reorganization was merely a political tactic employed by President Johnson against the rising power of Vice President Humphrey.

Young also told Lowery that he had heard "scuttlebutt" that Attorney General Nicholas deB. Katzenbach is "on his way out" and that Deputy Attorney General Ramsey Clark will take his place. Young did not indicate who had made this comment but told Lowery it was casually dropped by someone. Young indicated to Lowery that the comment was not made by "the Vice President or anyone else so official." Young told Lowery to talk to Ramsey Clark and use this information in whatever manner he can. U

A confidential source, who has furnished reliable information in the past, advised on September 29, 1965, that on that date, Martin Luther King was in contact with Clarence Jones. According to the source, Jones advised King of a meeting he, Jones, had with Harry (Wachtel) at which they went over the Gandhi Society Board, the Executive Committee, the whole question of allocation of money for the Southern Christian Leadership Conference (SCLC) and the Gandhi Society. Jones continued that all problems were discussed candidly and frankly, that they both agreed on all names that should be on the Executive Committee as well as those on the Board.

Jones said he discussed the problem of the Gandhi Society not being turned into a "Frankenstein" as far as the SCLC is concerned. He said he told Harry that they must be very careful that, when high contributors give to the Society and intend the money to go to the SCLC, they insure the SCLC benefits. He added that otherwise they will find money being siphoned off to a tax-exempt organization that would otherwise go to the SCLC.

Jones further commented that Harry was in very good form, that they discussed his relationship with King and with Jones as well as the advisory committee and some of the problems which Harry felt existed. He said Harry is ready to go along at every level.

King related that he had spoken with Harry a day or two before and Jones informed King that Harry had summarized the conference held with King concerning King speaking in Philadelphia (on October 15, 1965 on the occasion of the 50th Anniversary of the Women's International League of Peace and Freedom).

King mentioned that he had heard that Harry Belafonte "had gone in the hole" for about \$10,000 and Jones commented that Belafonte had told him the same thing, that it was on the occasion of the Selma benefit. He said Belafonte would like to have some reimbursement made to Belafonte Enterprises. Jones indicated that the expense occurred from the misrouting of equipment which Belafonte shipped down.

(It is noted that Harry Belafonte provided entertainment on the occasion of the march led by King from Montgomery to Selma, Alabama, in the Spring of 1965).

Internal Security - C

According to the source, it was agreed that King would write Belafonte a thank - you letter. Jones mentioned that perhaps a check for \$1,000.00 could be sent to Belafonte, that Belafonte mentioned reimbursement of \$2,500.00, but did not press the issue. King felt they could pull out the expense money for Belafonte if they had to.

King advised that the SCLC is in a period where things have gone down a great deal as far as fund raising is concerned. Jones brought up the September fund-raising letter and felt there will be a good response to it.

Jones inquired as to how the Philadelphia appearance had been resolved in so far as King's position on Vietnam is concerned. King related that he had decided to appear at the last minute, make an excuse for leaving and leave immediately after the speech. King said there would be no press conferences.

SUBJECT ORGANIZATION

Jones mentioned that Wyatt Tee Walker, the former Executive Director of the SCLC made a statement from the pulpit of Congressman Adam Clayton Powell's church on Sunday, (September 26, 1965) about the peace settlement with Powell, that King is his number one leader and Powell's number one leader, but that in New York Powell is number one. King stated that he did not know about this, but knew Powell was ready to give in because a lot of members had gotten on Adam and circulated a petition. King added that Powell is smart enough to nip something like that in the bud.

Letter to Birmingham  
Re: Cominfil, SCLC

~~CONFIDENTIAL~~

A review of Bureau files reveals numerous references to civil rights activities on the part of both Reverend Billups and Reverend Orange, both of whom are closely tied in with the SCLC. Billups is a Negro, born 3/17/25 at Birmingham, Alabama, and is from Birmingham. Orange is a Negro, born 10/29/22, Birmingham, and most of his activity has been in the South although he occasionally has traveled to northern places in connection with SCLC field work. No prior ties with the Communist Party by either of these individuals is noted.

The Bureau does not desire, at this time, to disseminate the raw information furnished by the Birmingham source as it does not appear to be consistent with any other information we have received concerning the Party's efforts to infiltrate the civil rights movement. Neither does it seem to be consistent with the manner in which the Communist Party operates, so far as is known to the Bureau. It is believed that this raw allegation should be further explored in an effort to obtain hard facts which would serve to verify the allegation and to insure that Birmingham's source has not misunderstood comments made to him. (X) u

Birmingham is instructed to advise the Bureau as to the identity [redacted] to the source, including available information concerning [redacted]. In addition, Birmingham should discuss with the source the possibility of the source's being able to develop further information [redacted] b7D  
[redacted] This, of course, must be handled with the utmost discretion in order to insure source's status is not jeopardized. The Bureau will welcome any observations Birmingham has relative to how this matter may be handled in order to achieve the desired objective, namely the securing of additional information which would serve to either firm up the allegation or indicate any possible inaccuracy. ReBulet 10/1/65 which noted Atlanta's report that one Bob Greene is to assume the position of Director of the Citizenship School of the SCLC. Atlanta was instructed to initiate appropriate discreet inquiry to establish this individual's identity and whether or not there is any subversive information available concerning him.

The "Atlanta Journal" 9/23/65 carried a news article stating that Dr. Robert Green (note probable correct spelling) is on leave from Michigan State University to head the SCLC Citizenship Education Program.

Detroit should furnish Atlanta and the Bureau available background data concerning Green and information as to whether or not he has a subversive background. RACIAL SITUATION, MIAMI, FLORIDA  
RACIAL MATTERS

On September 30, 1965, MM T-1 advised that A. D. MOORE, head of the Miami Chapter of the Congress of Racial Equality, had received a telephone call from the New York headquarters of the Southern Christian Leadership Conference (SCLC), making inquiry as to the activities of HARRY BOYTE, Director of Project Dialogue, SCLC, in Miami, Florida. The caller reported that BOYTE had submitted a report there was a serious situation in Miami, Florida, between the Negroes and Cubans. The caller indicated that from past experience, they knew this was not true and for this reason were requesting a check on BOYTE. In addition, BOYTE had requested that the SCLC open an office in Miami. E1

On October 1, 1965, MM T-1 advised that according to [redacted]

[redacted] HARRY BOYTE had left Miami with seventy-five local people on the morning of October 1, 1965. They were en route to attend a non-violence school in Midway, Georgia. The school is reportedly known as the Dorchester School. BOYTE is reportedly to return to Miami sometime at the beginning of next week, at which time he is to contact a Congress of Racial Equality official concerning this matter. b6

Re: Martin Luther King, Jr.

The "Michigan Chronicle", a Negro newspaper published weekly in Detroit, Michigan, in its issue of October 2, 1965, Section A, Page 12, contained an article captioned, "King to Speak at Testimonial for Diggs". The contents of this article are set out as follows:

"It has been learned that an appreciation dinner is being planned to salute Congressman Charles C. Diggs, Jr.

"The affair has been set for Thursday, Nov. 18, in Cobo Hall and will have as its main speaker, Dr. Martin Luther King, Jr. This will be the first time that the 1964 Nobel Peace Prize Winner has addressed a testimonial gathering and he has promised that it will be a major speech, the first he has made in over a year.

"Diggs has requested that proceeds from the dinner be presented to the Southern Christian Leadership Conference and some local project that is still to be selected.

"Leading figures in government, business, labor and religious circles are asking to be included as participants in the testimonial; and it is expected that some of the nation's top entertainers will perform at the affair.

"One of the organizers of the dinner disclosed that ticket prices will be low enough for everyone of Charlie Diggs' thousands of admirers to attend."

It is noted that the material enclosed was dated  
"as of 7/21/65" for the Convention which commenced 8/9/65  
and appears to the Bureau to be more in the form of an  
advance schedule of events. In years past, the SCLC pre-

the Conventions. These contained photographs of many of the  
officers and principals.

If such a formal Program was in existence during

On October 1, 1965, a confidential source, who has  
furnished reliable information in the past, advised that  
Stanley Levison and Martin Luther King, Jr., were in contact  
on that date. It was during this contact that King told  
Levison that he recently fell backwards in his chair and  
cut his arm on a glass, thus necessitating a cancellation of  
his appointments for the next five days or so.

Levison and King also discussed matters relating to  
the Southern Christian Leadership Conference (SCLC) office at  
312W125th Street, New York. In that regard, Levison suggested  
that King close the office since it was accomplishing nothing  
constructively. King said to close the office might subject  
"them" (the SCLC) to criticism. Levison concurred with King's  
reasoning.

MEMBER OF SUBJECT ORGANIZATION

It is noted that the SCLC office at 312 West 125th Street, Harlem, New York, New York, is run by Ruth Bailey. The other office in New York City is at 200 West 57th St., NYC., and managed by Adele Kanter. (u) MEMBER OF SUBJECT ORGANIZATION

In continuing their contact, Levison said he had received word that Carey McWilliams (Editor of "The Nation"), is going to carry an editorial "supporting our position as we asked him".

member, Emergency Committee for Civil Liberties New York

With regard to the above, the same source furnished information on September 13, 1965, that King and his advisors had decided to ask various newspapers to write editorials supporting King's position on Vietnam and the admission of Red China to the United Nations. As a consequence of his position that Red China should be admitted to the United Nations, King has been criticized by Senator Thomas Dodd, Democrat of Connecticut, as well as others.

MEMBER OF SUBJECT ORGANIZATION

Before concluding their contact, King said "they" have a potentially embarrassing situation in that Ralph (Ralph Abernathy, SCLC official) got Andy (Andrew Young, Executive Director of the SCLC) to write 50 contributors about buying a car for him (Ralph); however, only one of the contributors responded. Even though only one contributor responded, the car was bought at a price of \$3000, King said and in order to avoid criticism of the SCLC, the money would have to be raised. Levison said he would contribute half and that Harry Wachtel would be approached about raising the other half.

A confidential source, who has furnished reliable information in the past, advised in April, 1964, that Stanley Levison was a secret member of the Communist Party, United States of America (CPUSA), in July, 1963. [In late 1963, and early 1964, he criticized the Communist Party (CP) for not being sufficiently militant in the civil rights struggle. Levison was described by certain CP leaders as being to the "left" of the CP in his position on civil rights. Levison's differences with the CP, however, are merely tactical and he continues his ideological adherence to Communism.] ~~U~~

"Emergency Civil Liberties Committee

- "1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. \* \* \* The committee finds that the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted, by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. \* \* \* WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.'

There are enclosed for the Bureau ten copies of a letterhead memorandum containing information furnished by NY 4092-S\* on 10/5/65, relating to the Gandhi Society, an adjunct of the SCLC. The source advised that the information about the Gandhi Society was disclosed by JONES in conversation with a Dr. NELSON (ph) of the University (possibly Howard University?). JONES told him that they wanted him to be on the Board of Directors (of the Society) and NELSON accepted. JONES asked NELSON if he could come out to the University on Friday and see him. NELSON made the appointment for 10:30 AM.

JONES told NELSON that he had two points to discuss with him, first the Gandhi Society and second that he, JONES, desired to speak with the head of the School of Business Administration (University not named). JONES added that two major stock brokerage houses in New York City had asked him if he would go down to the University and speak with the School of Business Administration about two or three candidates to go into a very interesting field in stock houses.

Jones and Nelson agreed to get together in Washington on Friday morning, October 8, 1965. Jones stated that one of the things he wanted to discuss was the Gandhi Society for Human Rights.

b6  
b7C

Jones noted that the Gandhi Society is going to be refunded in that it will be getting additional sums of money. Jones added that the Society's name probably will be changed to The American Foundation on Nonviolence. He added that he was not sure of this, however.

Jones also inquired if Mr. (Harry) Wachtel had been in touch with Nelson and Nelson stated that he had not. Jones informed Nelson that they want him to be on the Board of Directors and Nelson accepted. Jones also stated that he wanted to discuss further how the reinstitution of the Society's program can be done and specifically as it relates to projects Howard University has or that Nelson has personally. He added that the Society has been dormant for a period of time and that they are going to revitalize its program.

SOUTHERN CHRISTIAN LEADERSHIP  
CONFERENCE  
INFORMATION CONCERNING

On October 5, 1965, Patrolman [redacted]  
[redacted], Chicago, Illinois Police Department,  
advised the Federal Bureau of Investigation (FBI) at  
Chicago, Illinois, that a meeting conducted by the  
Intercollegiate Council on Human Relations (ICHR) and the  
National Conference of Christians and Jews (NCCJ) was  
held October 2, 1965, in the Sullivan Room of Roosevelt  
University, Chicago, Illinois. The narrator was  
Mr. Edward Olson, President of the NCCJ. Reverend John  
Bevel of the Southern Christian Leadership Conference (SCLC)  
was introduced to the gathering which totaled approximately  
70 people.

b6  
b7C

During the ensuing meeting which was held under  
the theme "Strategies for Integration", Bevel stated  
that the problem in Chicago involved three areas, that is,  
economy, housing and education insofar as the Negro  
was concerned. All of the three problems would be attacked  
simultaneously, although individually this being done within  
the realm of non-violence, as the SCLC is philosophically  
a non-violent group. No great changes as far as leadership  
in the Chicago area will be made but that all religious,  
political and social groups regardless of their geographic  
location would be united under one head, namely the SCLC.

During the course of the meeting Bevel made an  
appeal relative to attendance at two mass meetings  
which will be conducted in Lake Geneva, Wisconsin. The first  
meeting will be held October 8, 9 and 10, 1965, and  
the second meeting will be held October 22, 23 and 24, 1965.

A review of the records of the New Haven Division reflect the following information concerning Reverend RICHARD A. BATTLES, JR., referred to in referenced report as a member of the Executive Board of captioned organization.

The 10/6/62 edition of the "Hartford Courant" a daily newspaper published at Hartford, Conn., quoted BATTLES, Minister of the Mount Olive Baptist Church at Hartford and Regional Director of the Southern Christian Leadership Conference (SCLC), as having stated that recent events in the State of Mississippi had done a great deal to help the cause of Communism. He discussed the calmness with which JAMES MEREDITH entered the University of Mississippi at that time and the reaction of white officials to that occurrence.

The 6/4/63 edition of the "New Haven Register", a daily newspaper published at New Haven, Conn., quoted BATTLES as having stated that he, two other ministers and other negro leaders, would meet 6/17/63, at New York City with Reverend MARTIN LUTHER KING to discuss the current unrest among many persons over discrimination.

The 6/17/63 edition of the "Hartford Times", a daily newspaper published at Hartford, Connecticut, reflected that a series of four talks on civil rights had been scheduled by the Northern Student Movement of Hartford, Conn., and listed BATTLES as one who would talk on the subject "Freedom Now".

The 7/18/63 issue of the "Hartford Courant" carries an article reflecting that BATTLES had resigned as chief spokesman for a new group known as the North End Community Action Project at Hartford, reportedly formed to conduct negotiations and demonstrations to win "visible jobs" for negroes.

In a letter directed to the "Hartford Courant", 7/28/63, BATTLES in reply to a recent editorial captioned, "The Equal Right to Work" stated that the North End Community Action Project would continue to try to correct the discriminatory practices in employment in a reasonable manner.

The article reflected that BATTLES had been chosen Chairman of the new organization to be known as the Connecticut Committee on Jobs and Freedom: Continuing the March on Washington.

BATTLES was quoted as having stated that the purpose of the new group was to organize people to go to Washington in small groups in case of filibuster, the purpose being to demonstrate peacefully.

An article in the "Hartford Times" issue of 9/16/63, quoted BATTLES as stating that "the pledge given in Washington to carry on the civil rights fight in our own areas" would be the chief topic at a conclave to be held at New Haven, Conn., on the above date and scheduled to be attended by ministers and NAACP chapter presidents.

The 11/28/64 edition of the "Stanford Advocate" a daily newspaper published at Stanford, Connecticut, carried an article captioned "Speakers Named in Tribute Held to Martin King". The article stated that KING was enroute to accept the Nobel Peace Prize. BATTLES was listed as one of several speakers and as the Connecticut Regional Representative of SCLC. It also stated that he was Connecticut Chairman for the August, 1963 civil rights March on Washington.

BATTLES' name was also included in a list of 90 persons who departed Bradley Field, Windsor Locks, Connecticut, at 7:30 AM on March 18, 1965, on a chartered flight to Selma, Alabama. The group was scheduled to return late the same day.

The following comments are being made in response to the information in referenced letter that Rev. CHARLES BILLUPS had been offered \$14,000.00 by the Communist Party (CP) and JAMES ORANGE had been offered \$18,000.00 a year to work for the CP: (u)

No information has come to the attention of the NYO through informants concerning this matter. The NYO concurs with the Bureau's belief that the allegation by BILLUPS does not appear consistent with the known party efforts to infiltrate civil rights activities or the manner in which such a position in the party would be offered. (u)

The salaries mentioned, appear extremely high. The NYO is not aware that the party has ever paid a salary such as \$18,000.00 per year, even to the national leaders of the party. However, the NYO is not fully cognizant of the connection [redacted] has with any CP activity or his connection with BILLUPS. In addition, the NYO has insufficient information on BILLUPS to evaluate the veracity of any statement made by him concerning the CP. (u)

ReCGairtel 10/8/65, copies to Atlanta, which forwarded a page 2 to be added to an LHM dated 10/1/65 prepared by the Atlanta Office. The page 2 reports the current membership of Eugene Tournour in the CPUSA. For the information of recipient offices, the following paragraph has been added to the page 2.

This source also advised, on 2/5/65, that Tournour, a member of the National Staff of the Congress of Racial Equality (CORE) assigned to Chicago as head of the CORE Task Force.

b6  
b7C

The addition was obtained from Chicago LHM dated 2/12/65, "Communist Influence in Racial Matters."

The necessity for the page 2 referred to above being added to the 10/1/65 Atlanta LHM was brought about by the following. The Atlanta LHM referred to the fact that one Gene Tournour (phonetic) was being considered for employment by the Southern Christian Leadership Conference. He was described as formerly associated with CORE. As it appeared quite likely that this Gene Tournour was identical to Eugene Tournour, a member of the Party in Chicago, Bureau airtel 10/6/65 instructed Chicago to prepare a page 2 to be added to the Atlanta LHM and specifically instructed that the page 2 should include not only a characterization of Eugene Tournour but also "information concerning his association with CORE so that there will be a tie in between the person characterized and the individual mentioned on page 1" of the Atlanta LHM.

The Chicago Office failed to comply with Bureau instructions as evidenced by its failure to include in the page 2 the CORE connection on the part of Tournour. This failure on the part of Chicago has necessitated the addition to page 2 the above-quoted paragraph as well as instant communication bringing this matter to the attention of recipient offices. The Bureau expects that in the future Chicago will comply with Bureau instructions. Form errors should be scored against the responsible personnel for failure to comply with Bureau instructions in this instance.

ReBulet to Atlanta, Chicago and New York 10/4/65 which explored the possibilities of attempting to further penetrate the SCLC through additional live coverage because of the evidenced communist influences on that organization. New York was requested to advise whether or not it has any established security informants who would be deemed suitable for possible penetration of the SCLC, whether it be at New York City, Atlanta or Chicago.

ReNYlet 10/12/65 which reported that each of two New York City offices of the SCLC had only one employee each. The Bureau agrees with New York's observation that because of such limited employment in these offices, the possibility of penetration through live coverage is extremely remote. New York then stated that it has established security informants who could be requested to make periodic visits to the SCLC offices for the purpose of obtaining information. ]X4

New York failed, however, to comment on whether or not it has any established security informants who would be deemed suitable for possible penetration at either Atlanta or Chicago. [The Bureau has in mind the consideration of having an informant or informants move to either or both Atlanta and Chicago if it would be in the best interest of the Bureau. ]X4

New York is requested to advise accordingly.

Recently, NY 3810-S\* indicated MARTIN LUTHER KING, JR. and STANLEY LEVISON discussed closing the 125th Street Office, but KING pointed out that they would be subject to criticism if they closed the office and decided against it. It is noted the 125th Street Office is in the Harlem area of NYC.

The 57th Street Office, located in the business area of Manhattan, shares its office space in Room 1301 of 200 West 57th Street, with the United Negro Press and [redacted] (u)

Information from NY and Atlanta sources indicates that no policy decisions are made by the employees of SCLC offices in New York. Their function is ministerial in nature and all matters of policy in the NY area are handled by HARRY WACHTEL, STANLEY LEVISON, BAYARD RUSTEN and CLARENCE JONES outside of the SCLC offices. Therefore, any penetration of the SCLC offices would produce information of only limited value. The establishment of informant coverage through the two present employees of SCLC in NY is extremely remote. As the Bureau has pointed out, with only one employee in each office, the possibility of penetration is remote. [redacted]

bureau for luring travelers to Cuba to fatten its lean treasury. It was mentioned that in registering with the Justice Department LOUIS used his legal name, JOSEPH LOUIS BARROW. Among the others who signed in registering with the Justice Department was WILLIAM DEON ROWE of 209 West 139th Street, known as BILLY ROWE, who listed himself as an associate member of the New York State Chiefs of Police.

The "New York Post" of 6/1/60, on page 2, contains an article captioned "JOE LOUIS Set to Quit Cuba Job" in which it was stated that JOE LOUIS is expected to sever all connections today with a \$287,000 public relations contract designed to attract Negro tourists to FIDEL CASTRO's Cuba. It was stated that the contract is held by Louis, Rowe, Fisher, Lockhart Enterprises, Incorporated, 200 West 57th Street, of which the former heavyweight boxing champion is first vice president. According to the article, when the public relations firm registered as a foreign agent in May, 1960, WILLIAM L. ROWE, president of the firm, insisted that the agreement had "nothing to do with Cuban-American politics". It was stated LOUIS had recently made a decision to disassociate himself from the contract. It was mentioned that ROWE is a former deputy police commissioner.

ReBulet to Birmingham, 10/5/65. (u)

ReBulet makes reference to reported offers by the  
Communist Party (CP) to Rev. CHARLES BILLUPS and to JAMES  
ORANGE of the SCLC to work for the CP. (X) u

Chicago concurs with the Bureau's observations that these  
offers do not seem to be consistent with the manner in which  
the CP operates, insofar as same is known. (X) u

In this regard, [redacted] whose position in the  
CP is known to the Bureau, was contacted on 10/7/65, and  
discreetly questioned as to the Party's position as relates  
to the SCLC. This source advised that it is known that the  
SCLC is reported to be sending in organizers to concentrate  
on the Chicago area. Further that it has been reported that  
there are currently ten SCLC organizers functioning in the  
Chicago area. This source stated that it is highly improbable  
that the CP has the kind of contacts within the SCLC wherein  
the CP would be in a position to approach any staff member  
for the purpose of making any kind of financial offer. The  
source noted that this opinion is based on the fact that  
HUNTER PITTS O'DELL formerly was the CP's main contact as  
far as the SCLC was concerned, however, O'DELL was ousted  
from the SCLC and, therefore, the CP lost that contact.  
Source further noted that BAYARD RUSTIN formerly was willing  
to talk to the CP, however, in recent times, he, RUSTIN,  
has engaged in "red-baiting." According to this source the  
two national CP functionaries who would be in a position to

ReBulet to Atlanta 10/4/65.(u)

As the Bureau noted in referenced letter, the SCLC operation only recently moved into the Chicago area. Information developed to date indicates that the Rev. JAMES BEVEL of the SCLC has been attempting to contact leaders from many neighborhoods in Chicago, seeking to have them organize within their respective neighborhoods so that they would be ready when the SCLC calls on them at some future date. BEVEL reportedly is considered an Assistant Pastor at the First Congregational Church of Chicago, 1613 West Washington, out of which address BEVEL also operates for the SCLC.(u)

CONFERENCE

(X) u  
On September 23, 1965, a confidential source, who has furnished reliable information in the past, advised that Reverend Bevel of the Southern Christian Leadership Conference (SCLC), would be one of the speakers at an "international and states civil rights workshop" to be held from 2:00 to 6:00 PM, Sunday, September 26, 1965, at the Fellowship House in Avondale, Cincinnati, Ohio. (X) Source stated this individual is believed to be identical with Reverend James Bevel of Birmingham, Alabama, director of SCLC direct action. (X) Source stated Reverend Fred Shuttlesworth, local Minister and SCLC representative, would undoubtedly be at the meeting.

MEMBER OF SUBJECT ORGANIZATION

On September 22, 1965, the "Cincinnati Post and Times Star," a daily evening newspaper of general circulation in the Cincinnati area, carried an item that Dr. Benjamin Spock, pediatrician and author of child-care books, would speak on "Raising Our Children in a Cold War Age" at 3:00 PM, September 26, 1965, at Fellowship House, 937 Lexington Avenue. His talk, free to the public, is part of a "Tri-State Human Rights Day" being sponsored by Fellowship House and East Cincinnati Friends Meeting." Dr. Spock is professor of Child Development at Western Reserve University School of Medicine, Cleveland . . ."

On September 27, 1965, Lieutenant Colonel [redacted] Cincinnati Police Department, advised that about 200 persons attended the Tri-State Human Rights Day affair sponsored by the Fellowship House and the East Cincinnati Friends Meeting, a Quaker group, on Sunday

diseases....Dr. Benjamin Spock told a group of some 250 Tri-State Human Rights Day celebrants Sunday.

"In the second part of the day's program, Reverend Bernard LaFayette, representative of the Southern Christian Leadership Council, told the gathering... 'the civil rights battle is moving north.'"

"Dr. Spock...said, 'Now-a-days the chances of a child of one year being killed by disease or accident before he reaches the age of 21 are less than 1½%. Does anyone dare think that the risk of nuclear destruction - through brinkmanship or insanity or mistake - is as small as that? ... recent studies have shown how much our children have become troubled by cold war anxieties. Between 25 and 50% of them, in different schools, believe there will be a nuclear attack .. More disturbing are the evidences of an unwholesome, passive fear of the malevolence of Communists. ... But if increasing numbers of them are now going to reach adulthood believing that Communists are supernaturally clever and evil people who are likely to outwit us and destroy us, they will end up with impaired personalities when compared to Americans of the past'.. He said beliefs that Communists are always wrong and we are always right and alarmist phrases such as 'world-wide conspiracy to destroy us,' give children an unnatural fear and hate for Communists which impair attempts for the nations to build trust and friendship that will lead to peace. 'I, myself, believe we should be careful to interpret the actions of Communist nations in always the least alarmist way possible - not to be generous toward them, but to give to our children the confidence that we will be able to understand our adversaries and cope with them in the future as we have in the past, and that we may even be able to come to mutually advantageous agreements with them.' In closing, Dr. Spock said, 'our country, militarily, is much stronger than Communist nations altogether.'"

"Rev. Mr. LaFayette, currently director of the urban affairs program of the American Friends Service Committee in Chicago, replaced ailing SCLC field representative Rev. James Bevel on the program. He cited riots in Los Angeles and Chicago last summer as pointing up the 'reality that exists.' He said they were, however, 'a mishap.' The civil rights worker said the next step in the battle for equal rights is 'dealing with the slums in northern cities.' . . LaFayette said voting

rights and solidifying communities are also issues needing further study. 'Although a voting bill has been passed by Congress in Washington, D. C., it has not yet been passed in Washington County, Ala.'"

Article in the September 27, 1965, edition of the "Cincinnati Post and Times Star," supra, comments that Dr. Spock said "today's American children should be taught to work for peace, not to fear communism blindly, and to help the poor - be they people or nations. ... 'It is time we revise our concepts of helping our children's need for preservation of physical and emotional health. It is no longer sufficient to protect them from the usual physical diseases and emotional stress of the past'...The greatest threat now to their bodily survival is from nuclear disaster.....'When we teach our children modern history..we should certainly tell them about the unprincipled and aggressive actions of Communist nations, but I think we should avoid alarmist phrases....With their teachers and parents (children) should take a personal interest in proposals for disarmament and East-West political agreement. They should join SANE or the Student Peace Union, make contributions from their allowance, walk in peace marches, write letters to the President and their senators,'.... He also urged help for poor nations and people and said 'all Americans can't leave it to a few Peace Corpsmen to pay our obligations for us.'"

(X) u  
A second confidential source, who has furnished reliable information in the past, on September 28, 1965, advised as follows: There were about 200 persons present, divided about equally as to race and economic and social status, ranging from beatniks to neatly-dressed individuals among both Negro and white people. [redacted] and some of her crowd were there. Source stated Dr. Spock talked on international politics; in favor of the Communists, pacifism and coexistence. Dr. Spock left about 4:45 PM. Spock said it is wrong to teach the child that Communists are all wrong and Chinese Communists are all wrong; that a child should not be told that Communism is a conspiracy; that the Russian people are nice friendly folks; that when the Russians and the Chinese had their revolutions they had some rough stuff but so did we; that we have much less right to be in Vietnam than the Communists have. He praised the United Nations as doing much for peace. He said that on disarmament we should make the first move, and if we get rid of our arms first then the Communists will too; that we have been unfriendly to China

since their revolution by blockading them and that China had to make a nuclear bomb because we did. Spock's talk was primarily on international politics with a definite pro-Communist leaning.

~~Q~~ u  
[This source advised] that LaFayette, who substituted for Bevel, talked about civil rights on an emotional basis. He said he had been at Selma for a year before the marching, helped to get ready for it, and when they first started to get ready for the march it was scratched because the people were not ready for it but those on the job there won out; that he is now working in Chicago.

~~Q~~ u  
LaFayette, [according to source,] intimated that Chicago would really be a hot spot in 1966, and told the audience they should save their vacations for Chicago next year; that the police in Chicago were afraid of demonstrators; that the first thing that happened there was some threw paper cups, and then some started throwing bottles and bricks; that in regard to the Watts area in Los Angeles, non-violence is all right but at times you have to fight fire with fire; that racial strife is due to poverty in the slums; that they have to end slums; that everybody could not go to Los Angeles as it is too far away but that was no excuse for not going to Selma before nor to Chicago next year; that the white man's heel is on the head of the Negro in the slums and even a professor could not write a good paper in the slums. He kept talking about police brutality. He said it is terrible to send our young men to Vietnam to kill other young men and all young men should refuse to fight; that we should get leaders from all the nations together and go to Vietnam to stop the war. He kept intimating that something big was in the making in Chicago which next year the whole nation will know about and that SCLC's Martin Luther King is already in Chicago running surveys and preparing.

LaFayette said he has been active in civil rights since 1960 and he is working in Chicago now. He had worked on the Selma and Montgomery situations. He said that white people do a disservice to white children by sending them to all-white schools because how will they learn to get along with other race members; that you can take the Negro out of the slums but you cannot always take the slums out of the Negro. LaFayette gave the definite impression of praising

the violence in Los Angeles and Selma. He first said he wants freedom now, and then said he wants freedom for yesterday, for his dead grandmother and not for his grandchildren, indicating that freedom is way past due and not to settle for what you will get in the future.

COMMUNIST INFILTRATION OF SOUTHERN  
CHRISTIAN LEADERSHIP CONFERENCE

MARTIN LUTHER KING, JR.

An article in "The News Journal", Mansfield, Ohio, daily newspaper, issue of October 11, 1965, stated that the Reverend MARTIN LUTHER KING, JR., delivered an afternoon sermon at the Mt. Hermon Baptist Church in Mansfield, on October 10, 1965. The occasion was the fifth anniversary of the pastorate of Dr. KING's uncle, the Reverend JOEL KING, at the Mt. Hermon Church.

The article stated that Dr. KING had arrived in Mansfield, Ohio on the afternoon of October 10, 1965, in the company of his brother, the Reverend A. D. WILLIAM KING and a number of other relatives. According to the article, KING left Mansfield, after the services, for Crawfordsville, Georgia, where he was scheduled to address a rally that evening. Ohio

According to the article, Dr. KING, in his sermon at the church, appealed to his listeners to "translate the discord of the world into a national symphony of harmony". He urged that people stand up for justice and right despite criticism or danger and repeatedly included a plea for nonviolence.

The article reflected that Dr. KING stated that he had no plans for returning to Ohio in the near future and that he will concentrate on Chicago as a northern base of operations. He said the Chicago operation will be the first venture of the Southern Christian Leadership Conference in the north.

MARTIN LUTHER KING, JR.  
SECURITY MATTER - C

Lieutenant [redacted]

Chicago Police Department, advised on October 6, 1965, that Reverend Martin Luther King, Jr., arrived in Chicago at 9:30 P.M. on October 6, 1965, and was staying at the O'Hare Inn which is adjacent to O'Hare Air Field, Chicago, Illinois. Lieutenant [redacted] advised that King was scheduled to leave Chicago during the morning of October 7, 1965 for a speech commitment at Springfield, Illinois, and was scheduled to return to Chicago during the evening of October 7, 1965. [redacted] advised further that King was scheduled to leave Chicago, Illinois, on October 8, 1965, to attend a conference being held at Lake Geneva, Wisconsin.

b6  
b7C

The "Chicago American" in its issue of October 7, 1965, contained an article "Cool Reception Awaits King at AFL Convention", in which article it stated that it was predicted that fewer than half of the 2,000 union members attending the last session of the Annual AFL-CIO Illinois Convention were expected to be at hand to hear an address on October 7, 1965, by King.

The October 8, 1965 edition of the "Chicago Sun-Times" reported on King's appearance on October 7, 1965 before Illinois labor leaders at Springfield, Illinois, stating that King called for a "coalition of conscience" allying labor and the civil rights movement. The article reported that King was critical of labor for their "timid" approach to the current civil rights struggle and also charged some unions of practicing discrimination.

COMMUNIST INFILTRATION OF  
SOUTHERN CHRISTIAN LEADERSHIP  
CONFERENCE

MARTIN LUTHER KING, JR.

The October 8, 1965, edition of the "Chicago Tribune" reports on a speech by King before the Illinois State Federation of Labor in Springfield, Illinois on October 7, 1965, and reports King as saying that labor has been "timid" in its present behavior in the civil rights movement. Among other things King is reported as calling for a guaranteed annual wage, and adequate minimum wage for all who work and guaranteed employment for all willing to work.

This article also reports that King charged a number of unions are guilty of practicing discrimination and bar Negroes from their membership.

King also called for a union of labor and the civil rights movement saying that these are the two most dynamic movements to reshape this nation during the past 30 years.

The October 7, 1965 edition of the "Chicago Daily News" contains an article reporting on the appearance of King before the Illinois Labor Convention in Springfield, Illinois on October 7, 1965, and the article cites King as saying that Chicago has the same problems as those problems that led to the August, 1965 race riots in Los Angeles. This article reports King as being critical of organized labor accusing labor of standing still and falling down on the civil rights issue. King was quoted as saying "where once the anti-poverty fight was the product of labor's creativity, now the Federal Government continues it through agencies essentially apart from labor".

The October 8, 1965 edition of the "Chicago Sun-Times" contains an article reporting on a press conference held by King in Springfield, Illinois on October 7, 1965. The article states that King expressed disappointment of the decision to release \$30,000,000 in government funds to the Chicago school system and suggested that this move showed

the Federal Government is not as forthright in its action as it is in its words.

King also is reported as speaking of the future civil rights activities in Chicago and stated that 12 representatives of the Southern Christian Leadership Conference (SCLC) have been working in Chicago for the purpose of gaining community support and in this regard have been holding non-violent work shops.

King indicated he would seek a meeting with Mayor Richard J. Daley of Chicago in the near future and he characterized Daley as "a major representative of vested interests, of a cautiousness that will not solve the problems of our time".

On October 7, 1965, Lieutenant [redacted] advised that King returned to Chicago, Illinois at 3:30 P.M. on October 7, 1965, having made his speech commitment at Springfield, Illinois, that date. Lieutenant [redacted] advised that King planned to remain at the O'Hare Inn, Chicago, Illinois and was scheduled to leave during the morning of October 8, 1965 for Lake Geneva, Wisconsin.

The "Chicago Tribune" in its issue of October 8, 1965, reported that King planned a three-day conference beginning on October 8, 1965, at Lake Geneva, Wisconsin with 200 civil rights leaders from Chicago, to discuss Negro problems and future plans for the civil rights movement in Chicago. King was reported as saying that his plans were not completely worked out for Chicago but civil rights activities in Chicago would be directed against those resisting change in the community and would include School Superintendent Benjamin C. Willis and "The City Hall Administration".

MARTIN LUTHER KING, JR.

The "Chicago American" in its issue of October 8, 1965, reported that King, the President of the SCLC, would be a participant in keynoting the opening session of a weekend work shop beginning October 8, 1965, at Williams Bay, Lake Geneva, Wisconsin.

This article states that the Coordinating Council of Community Organizations along with 25 or 30 cooperating groups would draw the picture of the Chicago racial problems in housing, education, health, employment, poverty and welfare for King and other members of his SCLC staff.

This article states that the Reverend James Bevel, Head of the SCLC, Direct Action Department, would be the Chief Instructor at that weekend work shop and would lead the Chicago group in planning for organizing Chicago communities for non-violent discipline and once this is accomplished, a series of demonstrations described as "Creative Pressure" will be undertaken with housing and education, the major areas of concentration. This article indicated it was expected that 150 individuals would attend this weekend conference. I //

On October 8, 1965, Lieutenant [redacted] advised that King departed Chicago, Illinois at 5:30 P.M. on October 8, 1965, by automobile en route to Lake Geneva, Wisconsin and he was scheduled to return to Chicago at 9:30 A.M. on October 10, 1965.

On October 10, 1965, Sergeant [redacted] Chicago Police Department, [redacted] advised that King departed Chicago at 11:10 A.M. on October 10, 1965, en route to Cleveland, Ohio and planned to arrive at Augusta, Georgia some time on October 11, 1965.

RACIAL SITUATION, MIAMI, FLORIDA  
RACIAL MATTERS

On October 12, 1965, MM T-1 advised that HARRY BOYTE and about six other staff members of the Southern Christian Leadership Conference (SCLC) had been staying at the Sir John Hotel, 276 N. W. 6th Street, Miami, Florida.

MM T-1 advised that about three weeks previously in New York City, MARTIN LUTHER KING, JR., head of the SCLC, had stated that HARRY BOYTE had reported relations between the Cuban and Negro population in Miami were approaching an explosive point, and SCLC activity was needed. KING said he did not instruct BOYTE to take a staff to Miami at that time, but BOYTE took it upon his own to do so.

MM T-1 advised that Miami Negro leaders were contacted for their views as to the alleged Cuban-Negro problem. These leaders said no problem existed, that SCLC activity was not needed here in this regard, and would not be welcomed.

BOYTE was thereafter recalled to Atlanta, Georgia, to discuss this matter with KING. It is the opinion of MM T-1 that KING will instruct BOYTE not to pursue his notions and activity in this regard.

MM T-1 said that the SCLC staff members presently in Miami will probably be leaving this area shortly.

MARTIN LUTHER KING, JR.

On October 9, 1965, MI *1* advised that Martin Luther King, Jr., had arrived at Conference Point Camp, Williams Bay, sometime during the previous evening. King reportedly arrived by automobile and was billeted at the camp. This source advised that there had been no trouble at Conference Point and that none was expected. King was apparently planning on leaving the Camp either on the evening of October 9, 1965, or early morning of October 10, 1965, for the purpose of making connections in Chicago for his return trip to Atlanta. On October 10, 1965, Chief of Police, Al Weith, advised that a cross had been burned at 12:21 AM on October 9, 1965, at Williams Bay on Highway 36 next to the property of Harry Breen, Plumbing Company. Examination of the cross revealed it to be constructed of scrap lumber about nine feet high and eight feet wide. The up-right was made of an old 2' by 2' and the cross member of a 1' by 6' with an added scrap on the right side apparently to make it longer. The entire cross had been inserted in a rotted stump of a tree. The cross smelled heavily of kerosene or fuel oil and it was only slightly burned inasmuch as the flames had been apparently rapidly extinguishing.

On October 9, 1965, MI *2* advised that there had been no discussion to his knowledge relative to the cross burning in Williams Bay community and that apparently the entire incident had been kept very quiet. Information had been made available that the cross was probably burned by teenagers who hang around the Old Orchard Tavern, which is about two or three miles north of the site of the cross burning and about two miles from Conference Point Camp. This establishment used to be the old Chateaux, the site of a great deal of teenage beer drinking and which establishment still maintains a reputation of that nature.

On October 11, 1965, MI *1* advised King had left Conference Point Camp during the evening of October 9, 1965, and that there had been no incident relative to his entire stay at the Camp.

MARTIN LUTHER KING, JR.

~~CONFIDENTIAL~~

On Sunday, October 10, 1965, the fol appeared on Page 22 of the MILWAUKEE JOURNAL n photograph of the Reverend Martin Luther King Raby of the Co-ordinating Council of Community article consisted of a dateline of Williams Ba Associated Press.

The Reverend Martin Luther King said Saturday that the antipoverty program, apparently referring to President Johnson's War on Poverty, would fail "if it substitutes a welfare approach at the creation of more jobs."

King spoke of unemployment among Negroes referring to them as "impoverished aliens in an affluent society." He added that "to tell a bootless people to lift themselves by their own bootstraps is a cruel jest."

King told a joint meeting of two civil rights groups that the Negro "has never been allowed to be a man and he never will be until he has the economic undergirding to support his family." King spoke at a closed meeting of the Co-ordinating Council of Community Organization of Chicago and the Southern Christian Leadership conference. The groups are holding a three day meeting at the Walworth county resort community to plan joint efforts for civil rights campaigns in Chicago. King said that there were three reasons for the Southern Christian Leadership had chosen Chicago for its first major civil right drive in the north. He then cited his "great faith" in Chicago's civil rights movement, his belief that Chicago represents all the problems found in urban centers of the north, and his desire to reciprocate for aid Chicagoans provided the civil rights movement in the south.

King said that Chicago was one of the most segregated cities and has one of the greatest housing problems of any city in this country.

ASAC Westfall, Savannah, telephoned this evening (10/18/65) setting forth details of a stolen car ring involving officials of the Southern Christian Leadership Conference (SCLC).

Harold Belton Andrews (a white male born in 1923 and the subject of a car theft ring in the 1940's) contacted Senior Resident Agent Dyer in Columbia, South Carolina, today and furnished details of four automobiles obtained by him, three of which have been sold to officials of SCLC. The fourth automobile is presently in his possession and observed by our Agents in Columbia, also to be sold to the SCLC officials in the immediate future.

According to Andrews, Findlay and Williams (who are connected with the SCLC in Atlanta) learned he, Andrews, had been in prison for auto theft and wanted him to obtain hot cars to transport civil rights workers. Williams and Findlay allegedly told Andrews that their auditor, Francis (LNU) would be arriving in Atlanta in the immediate future to check on money, property, and expenses of SCLC. It was indicated there was a shortage in SCLC funds and they desired to obtain a number of stolen cars to record as assets of SCLC in order that there would be no apparent shortage.

Andrews furnished details on four automobiles obtained by him in Washington, D.C., Newark, New Jersey, Atlanta, Georgia, and Daytona, Florida. These automobiles were rented by him and never returned. The first three were sold to Williams and Findlay at a nominal price with fictitious bills of sale and registrations being prepared. The documents indicated the autos were purchased at prices of approximately \$3,000.

Memorandum to Mr. Belmont  
RE: UNSUBS, MORRIS FINDLAY

Andrews at the present time had in his possession a 1965 Dodge Dart which he claimed to have rented from Sinco Service Station, Daytona, Florida, two or three weeks ago. This vehicle has been observed by our Agents in Columbia. Andrews stated that he was to take this car to Tuscaloosa, Alabama, tonight and upon arriving there, was to call Findlay for further details concerning the registration of this vehicle.

Andrews stated further that Williams has requested him to go to Miami, Florida, as soon as the car now in his possession is registered and steal a Lincoln automobile for Martin Luther King. There is no indication that King is or is not aware of this request.

Williams and Findlay have indicated they have 13 other stolen automobiles which they desire to get registered and that they have counterfeit \$20 plates and phony payroll checks in their possession. It is further reported that Williams and Findlay have a Negro woman (a notary public in Atlanta) who handles paper work in connection with the stolen cars for a fee of \$50 each.

ACTION:

The afore going was discussed with Seymor F. Phillips, Charles D. Brennan and Joseph A. Sizoo of the Domestic Intelligence Division, and Section Chief Rex I. Shroder of the General Investigative Division.

ASAC Westfall was instructed as follows:

1. Obtain detailed signed statements from Andrews concerning each of the automobiles handled by him.
2. Check out as expeditiously as possible details concerning the vehicle now in his possession to determine if a violation of the ITSMV Statute is involved.
3. Upon obtaining full details with reference to the auto presently in Andrews' possession, discuss with the appropriate U.S. Attorney for his prosecutive views.
4. After full details are obtained from Andrews with reference to the other automobiles, immediately set forth leads to obtain full details with respect to these vehicles.

Memorandum to Mr. Belmont  
RE: UNSUBS, MORRIS FINDLAY

5. Immediately instruct our Atlanta Office to initiate appropriate discreet coverage to determine what vehicles are in possession of Williams and Findlay and other officials of SCLC.

6. Instruct Atlanta to contact a source of the Atlanta Office

[redacted] No mention is to be made to  
this source concerning the stolen car phase at this time.

7. Andrews should not be permitted to proceed to Tuscaloosa, Alabama, with the car in his possession.

Savannah Office is submitting a teletype tonight with full details and ASAC Westfall was instructed to keep the Bureau advised of pertinent developments in this case and to afford it preferred and continuous attention.

We are proceeding with caution as this could be a "hoax" in an effort to embarrass the Bureau and/or leaders of the SCLC.

Reference is made to New York airtel dated 10/11/65 captioned "MARTIN LUTHER KING, JR., SM - C," Atlanta airtel dated 9/7/65, captioned "MARTIN LUTHER KING, JR., SM - C and CIRM," and New York airtel with LHM captioned "CIRM" dated 9/3/65.

It is noted in the above three referenced communications reference has been made to the formation of a new tax exempt organization having affiliation with SCLC.

New York, on 9/3/65, reported that a suggested name for this organization by KING was the SCLC Institute of Non Violence, but prior to definitely deciding on this name desires to submit it to the Research Committee for their opinion.

As reported in Atlanta LHM of 9/7/65, it is reported WACHTEL inquired of KING what his reaction was to the proposed changing of the name of the Ghandi Society to the "American Foundation on Non-Violence." KING commented he preferred a name utilizing SCLC in its title.

In New York airtel and LHM of 10/11/65 it was reported KING pointed out that large sums of money could be raised through the tax exempt corporation of ECLC which is to be called the American Foundation or American Institute on Non Violence.

The New York Office is requested to check pertinent court records to determine whether such an organization has been chartered in New York City and to furnish pertinent subversive data regarding those individuals identified as petitioners in behalf of this charter if such has been obtained to date.

Savannah Office has furnished details of an alleged stolen car ring involving officials of the Southern Christian Leadership Conference (SCLC). SCLC is headed by Martin Luther King.

Andrews, who is a white male, born in 1923, contacted Resident Agents at Columbia, South Carolina, on 10/18/65, and furnished details and signed statements concerning four automobiles obtained by him, three of which he alleges were sold to officials of SCLC. The fourth automobile is presently in his possession, was observed by our Agents in Columbia, and according to Andrews, is to also be sold to SCLC officials in the immediate future. Andrews was sentenced in January, 1960, in U. S. District Court, Atlanta, Georgia, to a year and one day for violation of Interstate Transportation of Stolen Motor Vehicle (ITSMV) violation.

According to Andrews, Morris Findlay and Hosea Williams, who, according to Andrews, are connected with the SCLC in Atlanta, learned that he, Andrews, had been in prison for auto theft and they wanted him to obtain stolen cars to be used to transport civil rights workers. Williams and Findlay allegedly told Andrews that their auditor (name unknown) would be arriving in Atlanta in the immediate future in order to check on the finances of the SCLC. These individuals told Andrews that there was a shortage of SCLC funds and they desired to obtain a number of stolen cars to record as assets of the SCLC in order that there would be no apparent shortage. Bureau files indicate that Hosea Williams is a SCLC official; however, no record can be located for a Morris Findlay.

Andrews furnished details on four automobiles obtained by him in Washington, D. C., Newark, New Jersey, Atlanta, Georgia, and Daytona, Florida. These automobiles were rented by him and never returned. The

Re: HAROLD BELTON ANDREWS

first three were sold to Williams and Findlay at a nominal price with fictitious bills of sale and registrations being prepared. The documents indicated the autos were purchased at prices of approximately \$3,000.

Andrews, at the present time is in possession of a 1965 Dodge which he claimed to have rented at Daytona, Florida, two or three weeks ago. He indicated that this car was to be sold in the immediate future to Findlay. Investigation has established that Andrews rented this car on 9/12/65, for one day, furnishing a fictitious address in Atlanta. The U. S. Attorney, Columbia, South Carolina, authorized process for Andrews, charging ITSMV for the interstate transportation of the 1965 Dodge from Florida to South Carolina. Andrews is to be arraigned today. He is currently incarcerated at Richland County Jail, Columbia, South Carolina.

Andrews stated further that Williams has requested him to go to Miami, Florida, as soon as the car now in his possession is registered and steal a Lincoln automobile for Martin Luther King. There is no indication that King is or is not aware of this request.

Williams and Findlay have indicated they have 13 other stolen automobiles which they desire to get registered and that they have plates to counterfeit \$20 bills and phony payroll checks in their possession. It is further reported that Williams and Findlay have a Negro woman (a notary public in Atlanta) who handles paper work in connection with the stolen cars for a fee of \$50 each.

ACTION:

In view of the alleged ramifications involving SCLC officials, this matter has been discussed with the Domestic Intelligence Division. The Savannah Office has been instructed to give this matter preferred, thorough investigative attention and to keep the Bureau advised of all pertinent developments. The Atlanta Office has also been cautioned that this matter could be a hoax to cause embarrassment and perpetrated by either officials of SCLC or members of the Ku Klux Klan.

COMMUNIST INFILTRATION OF THE

MARTIN LUTHER KING, JR.  
SECURITY MATTER - C

On October 19, 1965, a source who has furnished reliable information in the past advised that on that date [redacted]

[redacted] in the Southern Christian Leadership Conference (SCLC) had been in Boston to contact the local SCLC leadership.

b6  
b7C  
b7D

[redacted] stated that all of the local SCLC branches throughout the country were being told, at King's orders, that they were not to participate in any further demonstrations.

It is King's plan to form a group of sane, sensible, responsible persons in each area who can sit down at a council table and discuss problems amicably and come to intelligent and responsible decisions.

The source understands that one of the principal reasons for this change in policy is the fact that none of the local SCLC branches have submitted an accounting of funds collected by them in the past two years nor are they able to do so. Most of the funds collected by these groups are donated in support of demonstrations in which SCLC participated.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Re: Communist Infiltration of the SCLC

Clarence Jones is the General Counsel  
to the Gandhi Society for Human Rights,  
15 East 40th Street, New York, New York.

A confidential source, who has furnished  
reliable information in the past, advised on  
February 26, 1957, that he identified a photo-  
graph of Clarence Jones as a person whom he  
knew during late 1953 or early 1954 to be a  
member of and in a position of leadership in  
the Labor Youth League. ~~EX~~U

The Labor Youth League has been designated  
pursuant to Executive Order 10450.

A confidential source, who has furnished  
reliable information in the past, advised  
in April, 1960, that Stanley Levison was a  
secret member of the Communist Party,  
United States of America (CPUSA), in  
July, 1963. [In late 1963 and early 1964,  
he criticized the Communist Party (CP)  
for not being sufficiently militant in  
the civil rights struggle. Levison was  
described by certain CP leaders as being  
to the "left" of the CP in his position  
on civil rights. Levison's differences  
with the CP, however, are merely tactical  
and he continues his ideological adherence  
to Communism.] ~~EX~~U

Re: Communist Infiltration of the SCLC

In "The Saturday Evening Post", issue of July 11-18, 1964, page 76, Bayard Rustin is the subject of a feature article captioned: "The Lone Wolf of Civil Rights". In it, Rustin is said to have come to New York in 1938, as an organizer for the Young Communist League (YCL), and as such, he had the job of recruiting students for the "Party". Furthermore, the article reports that during his first years in New York, Rustin gave most of his earnings to the "Party". He reportedly left the "Party" in 1941, the article states.

The YCL has been designated pursuant to Executive Order 10450.

The "Daily Worker", February 11, 1957, page 1, column 2, reported that Bayard Rustin, Executive Secretary, War Resisters League, was an observer at the 16th National Convention of the Communist Party, United States of America (CPUSA), held in New York City, on February 9-12, 1957.

The "Daily Worker" was an East Coast Communist publication until it ceased publication on January 13, 1958.

A confidential source, who has furnished reliable information in the past, advised on September 25, 1963, that during a meeting of the National Board, CPUSA, on that date, Benjamin J. Davis remarked that, "Rustin calls me constantly--openly." (S)(u)

Another confidential source, who has furnished reliable information in the past, advised on February 19, 20, 1964, that Bayard Rustin contacted Benjamin J. Davis on those dates (S)(u)

and sought his advice as to how he could escape from a speaking engagement to which he was committed. On the latter contact, Davis told Rustin that he was working on his request and had contacted friends who had contacts with the group to which Rustin was to speak. (S)(u)

A confidential source, who has furnished reliable information in the past, advised on January 21, 1964, that as of that date, Benjamin J. Davis was National Secretary of the CPUSA.

"The New York Times", August 24, 1964, page 27, column 4, reports that Benjamin J. Davis, National Secretary, CPUSA, died in New York City on the night of August 22, 1964.

Reference is made to memorandum dated October 9, 1965, at Springfield, Illinois, captioned "Communist Infiltration of the Southern Christian Leadership Conference."

Referenced communication reported that an article in the "Illinois State Register" of October 7, 1965, stated that Martin Luther King was the main speaker before the Illinois State AFL-CIO Convention at Springfield, Illinois, on October 7, 1965. This article also identified Charles Hayes, Director of District 1 of the Packinghouse Workers Union as one of those who greeted King at this convention.

A source, who has furnished reliable information in the past, advised in 1957 that Hayes was a member of the Communist Party (CP) some four or five years prior to 1957. (U)

A second source, who has furnished reliable information in the past, advised in October, 1962, that Hayes had been out of the CP for a very long time, and the CP considered Hayes "no good." (U)

The second source advised in July, 1964, that as of that time Hayes refused even to speak to CP members. (U)

COMMUNIST INFILTRATION OF  
SOUTHERN CHRISTIAN LEADERSHIP  
CONFERENCE

Atlanta confidential sources have been unable to furnish or make available copies of training material utilized by the Southern Christian Leadership Conference in projecting the ideas and thinkings of Dr. MARTIN LUTHER KING, JR.

In a pamphlet published by the Southern Christian Leadership Conference (SCLC) depicting "The SCLC Story" which was published in 1964, basic ideas and convictions are set forth which obviously portray some of the ideas and teachings of SCLC which would have been projected to employees and workers on behalf of the SCLC. In this pamphlet which was edited by EDWARD T. CLAYTON, Public Relations Director, SCLC, an editorial note explained that the work of the SCLC was one of determination, sacrifice and dedication . . . . . A passion for unqualified freedom through the moral fibre of non-violence and tenets of Christianity became the great task of SCLC.

Dr. MARTIN LUTHER KING, JR. is quoted in this publication as follows:

"In these turbulent days of uncertainty the evils of war and of economic and racial injustice threaten the very survival of the human race. Indeed we live in a day of grave crisis. Yet, I am convinced beyond the shadow of a doubt that the philosophy of nonviolence will redeem the soul of America. There is a great temptation to accept nonviolence solely as a strategy, a device; this we must guard against.

COMMUNIST INFILTRATION OF SOUTHERN  
CHRISTIAN LEADERSHIP CONFERENCE

"This is one of the chief aims of the Southern Christian Leadership Conference: to broadly disseminate through intensive training the heart of nonviolence, that our commitment to nonviolence will not only be a technique, but shall become for us a way of life with love and redemption as its center. Another chief aim of SCLC is in the area of voter registration. Here again it must be recognized that the right and proper use of the ballot is vital in our struggle for first-class citizenship."

This publication also carried an article written by L. D. REDDICK, Historian, SCLC, setting forth the history of SCLC and its development. In this article REDDICK pointed out that at the founding of SCLC it was agreed that civil rights were essential to Democracy and that the Negro should reject segregation absolutely but in a non-violent manner. The composition of the board of the SCLC in its founding convention reflected a strong church orientation of the organization, along with a sprinkling of intellectuals, laborites and lawyers. Dr. REDDICK identified the aims and purposes of SCLC as follows:

- "1. To achieve full citizenship rights, and total integration of the Negro in American life.
- "2. To stimulate nonviolent direct mass action to remove the barriers of segregation and discrimination.
- "3. To disseminate the creative philosophy and techniques of nonviolence through local and area workshops.
- "4. To secure the right and unhampered use of the ballot for every citizen.
- "5. To reduce the cultural lag through the Citizenship Training Program."

COMMUNIST INFILTRATION OF SOUTHERN  
CHRISTIAN LEADERSHIP CONFERENCE

Another article appearing in this publication by DOROTHY COTTON, Director, Citizenship School, SCLC, cites as one of the necessary factors in the program of the SCLC is to build a program around mass non-violent direct action and to prepare "soldiers" for the non-violent Army. In order to do this it is necessary to prepare these individuals as follows:

"Gathering Facts Before engaging in nonviolent direct action, we must have detailed facts about the unjust situation against which we are protesting. A nonviolent campaign must never be based on mere opinion and hearsay.

"Education Once all the facts and figures are known this information must be disseminated throughout the community involved. One goal of a nonviolent movement is to gain understanding, sympathy, and support for the changes we seek. In order to achieve this, the people (white and Negro) must be informed.

"Negotiation Nonviolent resistance to injustice presupposes the desire to win opponents to our cause, not to conquer or overthrow. We, therefore, talk directly with persons in charge of areas of our grievances before any action is taken.

"Purification Spiritual preparation is mandatory for those who would participate in Christian nonviolent direct action. Preparation requires studying nonviolence in workshops, role-playing, and making a commitment. When actual love is felt for our opponents, a direct-action campaign is then begun.

"Direct Action We show our love and dedication to truth by presenting our very bodies in places not opened to us. By such acts we confront segregationists with the issues and ourselves, and they are forced to make a decision. By such acts, we accept suffering rather than inflict suffering.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

COMMUNIST INFILTRATION OF SOUTHERN  
CHRISTIAN LEADERSHIP CONFERENCE

"Reconciliation Our white brothers often find it painful to change the teachings and habits of a lifetime. The nonviolent resister understands this pain and through love helps them to accept the new way of life. He is active in making the transition as easy and painless as possible.

"Direct action projects must always be nonviolent, for the goals we seek by such action are "pre-existent in the means". The ends we seek for our nation and for ourselves are love, justice and peace. There can be no love tomorrow without loving men today; there can be no justice without just men; there can be no peace in the end without peaceful men. The legions of the nonviolent disciple will only grow if we are able to love regardless of the cost. The cost of Jesus Christ was the cross. That cross, its cost and implications, holds our confidence and our future as free men."

There is also quoted in this pamphlet excerpts of a letter allegedly prepared by Dr. MARTIN LUTHER KING, JR. when confined to jail at Birmingham, Alabama. This letter was written in answer to a letter prepared by eight white clergymen who publicly criticized KING for unwise and untimely demonstrations. KING, in answering this letter, sets forth some of his moral justifications for acts on the part of SCLC and pertinent portions of this letter are as follows:

"In your statement you asserted that our actions, even though peaceful, must be condemned because they precipitate violence. Isn't this like condemning the robbed man because his possession of money precipitated the evil act of robbery? Isn't this like condemning Socrates because his unswerving commitment to truth and his philosophy delvings precipitated the misguided popular mind to make him drink the hemlock? Isn't this like condemning Jesus because his unique God-consciousness and never-ceasing devotion to God's will precipitated the evil act of the Crucifixion?

COMMUNIST INFILTRATION OF SOUTHERN

"The question is not whether we will be extremist but what kind of extremist will we be. Will we be extremists for hate or will we be extremists for love? Will we be extremists for the preservation of injustice - or will we be extremists for the cause of justice? In that dramatic scene on Calvary's hill, three men were crucified for the same crime - the crime of extremism. Two were extremists for immorality, and thus fell below their environment. The other, Jesus Christ, was an extremist for love, truth and goodness, and thereby rose above his environment. So, after all, maybe the South, the nation and the world are in dire need of creative extremists."

Confidential Source One advised that about 1959 Dr. MARTIN LUTHER KING, JR. visited India briefly ostensibly for the purpose of studying the Ghandi concepts of non-violence.

On August 24, 1965, confidential source, who has furnished reliable information in the past, advised that MARION METELITTS, a member of the District Board, Communist Party of Eastern Pennsylvania and Delaware (CPEPD), attended the convention of the Southern Christian Leadership Conference (SCLC) held in Birmingham, Ala., from August 7 - 12, 1965. The expenses for this trip were paid by the National Office of the CPUSA, but METELITTS had to return to Philadelphia one day before the convention ended because she had not been granted sufficient funds. METELITTS indicated that she had planned to travel to New York City to give a report on this convention to some of the leaders in the National Office of the CPUSA. (U)

On October 5, 1965, same source reported that MARION METELITTS had traveled to New York City on September 24, 1965, to keep an appointment with GUS HALL, General Secretary, CPUSA, relative to her attendance at the SCLC convention; however, HALL was not in New York City at the time and METELITTS demanded to see HENRY WINSTON, Vice-Chairman, CPUSA. METELITTS had indicated that although she intended to give a report on the SCLC convention she made very critical remarks of the activities of IRVING GOFF, District Organizer, CPEPD. (U)

This source subsequently advised that METELITTS had traveled to New York on October 4, 1965, and met with GUS HALL. (U)

HENRY WINSTON, and ARNOLD JOHNSON, National Legislative Director, CPUSA, At this time, METELITS gave these officials a report on the SCLC convention. In addition, she made charges against IRVING GOFF, accusing him of white chauvinism, male supremacy, and the lack of collective discussions. ~~(C)~~ (U)

On October 7, 1965, METELITS returned to New York City to give a report of the SCLC convention to the members of the National Negro Commission, CPUSA, who were meeting in New York City. The expenses for this latter trip were borne by the CPUSA. ~~(C)~~ (U)

**O**NCE AGAIN the Southern Christian Leadership Conference calls together those who dare to be the **CREATIVE MINORITY** of the Communities of this nation, those who by their own discipline, sacrifice and suffering seek to transform the jangling discords of society into a symphony of brotherhood, those who may go down in history as the true saints of our time and the saviors of democracy. As president of this organization, I salute you. I commend you for the hard-fought struggle of our most recent past and congratulate you for the victory which you have given this nation over the forces of darkness and oppression. But the job is far from over. We have only taken the first step on a thousand-mile journey. The opposition to true progress is only now beginning to harden its resistance and the suffering ahead may well be more difficult than that which is past. However, we need fear no evil. God continues with us through the valleys and shadows which lie ahead. So let us continue to stand tall and stand together as we seek and work toward new vistas in our nonviolent quest for freedom.

*M. L. King Jr.*

## Message from the Vice-President

Our return to Birmingham, Alabama, in this Ninth Annual Convention of the Southern Christian Leadership Conference marks another milestone along the difficult path we have come in our determined struggle for freedom. It has been only a few months ago that many of us were assembled here to dramatize our just demands for full equality in the fulfillment of the promise of the American Dream.

Three years ago we also met here in convention to discuss the future of our determination and examine the courses of destiny which beckoned to us. Birmingham was only a symbol, a reflection of an "old South" which desperately hoped to find change and new direction in a courageous leadership.

SCLC has tried to provide that leadership. As one of its officers, I am proud and privileged to be a native of the State of Alabama which draws us into assembly. I am proud because I believe in the state of Alabama and the American Promise it held out to me in the small county of Marengo, where I was born. I am privileged because I have lived to see change come in the decade that I and my family have tried to give our devotion and dedication to the cause we hold so vital and sacred.

Thus it is that with this spirit of service and dedication I greet you and heartily welcome you to the fellowship of the Ninth Annual Convention of the SCLC, the organization to which we have given our sincere dedication.

*Raymond D. Abernathy*

# Welcome . . .

**IT IS FITTING** that the Southern Christian Leadership Conference, joins with one of its outstanding affiliates, The Alabama Christian Movement for Human Rights, in the meeting of the Ninth Annual Convention in the City of Birmingham, Alabama. These nine years of SCLC's existence may well mark one of the most critical and creative periods of American history, and the climax of a concentrated drive for desegregation and dignity for all people in the United States.

Now we stand on the threshold of a new era. You who have come here, will chart the course of that era. This convention will seek to set out some "new alliances" in our quest for freedom. We urge you to open your hearts, extend your mind, and examine your souls that we might discern God's call to us in this critical hour of our nation's history.

God is concerned about "FEEDING the HUNGRY," and "CLOTHING the NAKED". We, as His children, are invited to join the quest for ways and means of bringing these meaningful freedoms to the door step of every living American. Our struggle must now rise above color, for there are poor, needy, jobless, and ill-trained persons of every color and nationality. But a Convention is only words and ideas. If something is to happen as a result of our having been here, it will be because you take the words shared here to heart and develop the creative action projects which will truly "Redeem the Soul of America." With this challenge, we welcome you.

## OH FREEDOM

Oh Freedom, Oh Freedom, Oh Freedom, after while.

And go home to my Lord and be Free.  
No more mourning, No more mourning,  
No more mourning after while  
And before I'd be a slave, I'll be buried in my grave  
And go home to my Lord and be Free  
No more sadness, no more sadness, etc.  
Oh Freedom, Oh Freedom, etc.

## WOKE UP THIS MORNING

Woke up this morning with my mind set on Freedom  
Woke up this morning with my mind set on Freedom  
Woke up this morning with my mind set on Freedom  
Hallelu, Hallelu, Halleluah.  
Ain't no harm to keep your mind set on Freedom, etc.  
Walkin' and Talkin' with my mind set on Freedom, etc.  
Singin' and prayin' with my mind set on Freedom, etc.

## DO WHAT THE SPIRIT SAY DO

You gotta do what the spirit say do  
You gotta do what the spirit say do  
And if the spirit say do, you gotta do, oh Lord

COMINFIL OF THE SOUTHERN CHRISTIAN  
LEADERSHIP CONFERENCE (SCLC)  
INTERNAL SECURITY - C

The Bureau has recently been in receipt of considerable correspondence from your office (principally airtels and letterhead memoranda) which bear dual captions. The first caption is usually an instant communication and the second caption pertains to some specific activity; such as a particular racial situation, a demonstration, or some other civil rights activity. Many times the contents of the communications are primarily concerning the second captioned matter and little, if any information, is reported re Cominfil of the Southern Christian Leadership Conference (SCLC). Two specific instances in point are as follows: U

1. Your airtel and letterhead memorandum, 10/22/65, having a secondary caption "Alexander H. Stephens Institute, Crawfordville, Georgia, Public Education - Civil Rights Act of 1964." U
2. Your airtel and letterhead memorandum, 10/25/65, having a secondary caption "Racial Situation, Lincoln County, Georgia, RM." U

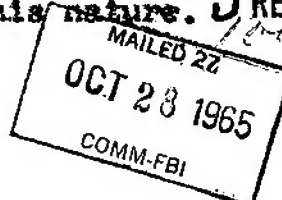

In order to better facilitate the handling of correspondence in these matters at the Seat of Government, it is suggested that the correspondence bear the initial caption of the primary matter of interest. If there is some information pertaining to the Cominfil of the SCLC, but it is of secondary interest, the Cominfil of the SCLC should be the second caption. If there is no actual information pertaining to the Cominfil of the SCLC, it is suggested that it not be included as a caption although it would be permissible to designate an extra copy for the Bureau file, 100-438794. ## PURPOSE:

To advise that AUSA, Atlanta, is considering issuing process regarding stolen car ring involving officials of Southern Christian Leadership Conference (SCLC). *L*

## BACKGROUND:

Andrews is a white male who was convicted for violation of the Interstate Transportation of Motor Vehicle (ITSMV) Statute in 1960. He alleges that at the request of Morris Finley and Hosea Williams, officials with the SCLC, he rented three cars, subsequently selling them to Williams and Finley. Andrews had rented another car, which he indicated was to be also sold to the SCLC and an authorized complaint was filed, charging him with violation of ITSMV Statute for transporting this car from Florida to South Carolina. Andrews is presently out on bond. *L*

Andrews also alleged that Finley told him the SCLC has plates to make counterfeit money in \$20 denominations, that they had facilities for printing Georgia titles for stolen automobiles, and are printing payroll checks drawn on an electrical concern in Nebraska, which they intended to cash in Nebraska. Purpose of these activities was to conceal shortages in SCLC accounts and to pay off civil rights workers. *u*

## CURRENT DEVELOPMENTS:

On 10/25/65, facts in this matter were discussed with AUSA F. D. Hand, Atlanta, who indicated that he felt sufficient information was available to issue ITSMV process involving Charles C. Mize, Morris Finley, Hosea Williams and Harold Andrews. Process issued would be a conspiracy charge involving the car rented by Andrews in Florida and taken by him to South Carolina for sale to Williams and Finley. This is the same car on which the USA in Columbia, South Carolina, authorized process on and on which Andrews is presently out on bond. *u*

Memorandum to Mr. Belmont  
Re: HAROLD BELTON ANDREWS, ET AL.

Morris Finley is allegedly an SCLC official who owns the Diamond Printing Company in Atlanta and it is to be noted that Andrews also alleges the SCLC is printing fictitious payroll checks and has plates to make counterfeit \$20 bills. Hosea Williams is the Director of Voter Registration, SCLC, and appears to be the mastermind behind this stolen car ring. Charles Mize is an associate of Williams and Finley and he originally contacted Andrews and arranged on behalf of Williams and Finley for Andrews to steal these automobiles for subsequent sale to the SCLC. U

AUSA Hand also indicated that he would issue a search warrant for a car stolen by Andrews and which is currently in Finley's possession. He also believed a search warrant could be obtained for the Diamond Printing Company on the basis of the allegations concerning counterfeit money and fictitious payroll checks. U

AUSA Hand stated that in view of possible public interest in this matter he desired to discuss the entire matter with USA Goodson prior to authorizing process. He also desired the Secret Service to be advised of the possibility of the existence of counterfeit plates. U

A conference has been arranged by the AUSA for 2:00 p.m. today (10/26/65) for the purpose of discussing the entire matter with the U. S. Attorney. SAC Ponder, Atlanta, states that he will advise the Bureau if process is authorized today. SAC Ponder has indicated that if process is authorized it will be necessary to file complaints and obtain search warrants. The arrests and interviews of any persons charged will be made simultaneously by the FBI. Atlanta will advise the Bureau of the outcome of the conference this afternoon and will coordinate any activity with the Bureau and the Savannah Office, in whose territory subject Andrews currently resides. It is contemplated that any arrests on the warrants and execution of the search warrants will be made tomorrow morning (10/27/65) by the FBI. Atlanta states that it can control the entire matter and foresees no difficulty at all in connection with alerting the Secret Service of the possibility of the existence of counterfeit \$20 plates. U

ACTION TO BE TAKEN:

The Atlanta Office will immediately advise us of the results of the conference with the U. S. Attorney today and if authorization is obtained to proceed arrangements will be made to coordinate the activity in the Savannah and Atlanta Offices with the Bureau so that appropriate coverage can be given this matter. A copy of this communication is being furnished to Mr. DeLoach's office. U

INTERNAL SECURITY - C

ReAirtel and letterhead memorandum, 10/22/65,  
copies to New York, dual captioned "Cominfil of SCLC, IS - C;  
Martin Luther King, Jr., SM - C." U

Information is reported concerning a contact between  
Ruth Bailey of the Harlem, New York City Office, of the  
Southern Christian Leadership Conference (SCLC) and Randolph  
Blackwell of SCLC Headquarters. She stated that she has an  
"appeal" of the Workers Defense League (WDL), New York City,  
which asks for donations to be sent to King at the New York City  
Office of the WDL. According to Bailey, the "appeal" bears  
the signature of King. Blackwell stated that the SCLC could  
not be associated with "anything like that"; and that it  
could not be authentic or that someone had made a very  
"naive decision." U

The New York Office is aware of the background of  
the WDL which was at one time the subject of Bureau investigation  
by the New York Office. New York is instructed to attempt to  
discreetly obtain a copy of the "appeal," if available, and  
furnish same to the Bureau. U

In the event any additional information concerning  
this matter comes to the attention of either recipient offices,  
the Bureau should be promptly advised. U

Reurairtel and letterhead memorandum 10/27/65 captioned as above as well as "SCOPE, Information Concerning (Internal Security)" which reported that on 10/26/65 Hosea Williams, an official of the SCLC, discussed with one Tim Buck (phonetic) SCLC activity in Lincolnton, Georgia, for 10/27/65.

Reurairtel and letterhead memorandum 10/23/65 captioned as above as well as "Racial Situation, Lincoln County, Georgia, Racial Matters" which also reported on a 10/26/65 contact between Williams and one Tim Buck (phonetic).

For your information, an individual by the same name, Tim Buck, is Chairman Emeritus of the Communist Party of Canada.

While it is unlikely that the individual who was in contact with Williams is the Tim Buck of Canada, it is desired that, if at all possible, further information be obtained concerning the Tim Buck (phonetic) who was in contact with Williams so that, if appropriate, he is eliminated as identical to the Canadian Tim Buck. It requested that a check be made, if possible, of the original information furnished by your sources and a check made with the personnel contacting these sources in an effort to resolve this matter. Of interest, of course, would be the location of the Tim Buck who contacted Williams. Was he in Atlanta or elsewhere?

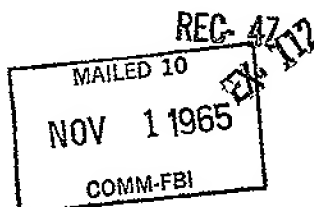

Please expedite reply to Bureau along with any observations your office may have on this matter.

STANLEY LEVISON

A confidential source advised in April, 1964, that STANLEY LEVISON was a secret member of the Communist Party (CP), USA, in July, 1963. [In late 1963, and early 1964, he criticized the CP for not being sufficiently militant in the civil rights struggle. LEVISON was described by certain CP leaders as being to the "left" of the CP in his position in civil rights. LEVISON's differences with the CP, however, are merely tactical and he continues his ideological adherence to Communism.] (S) (U)

**BAYARD RUSTIN**

In "The Saturday Evening Post," issue of July 11-18, 1964, page 76, BAYARD RUSTIN is the subject of a feature article captioned: "The Lone Wolf of Civil Rights." In it, RUSTIN is said to have come to New York in 1938, as an organizer for the Young Communist League (YCL), and as such, he had the job of recruiting students for the "Party." Furthermore, the article reports that during his first years in New York, RUSTIN gave most of his earnings to the "Party." He reportedly left the "Party" in 1941, the article states.

The YCL has been designated pursuant to Executive Order 10450.

The "Daily Worker," February 11, 1957, page 1, column 2, reported that BAYARD RUSTIN, Executive Secretary, War Resisters League, was an observer at the 16th National Convention of the Communist Party, United States of America, (CP, USA) held in New York City on February 9-12, 1957.

The "Daily Worker" was an East Coast Communist publication until it ceased publication on January 13, 1958.

A confidential source advised on September 25, 1963, that during a meeting of the National Board, CP, USA, on that date, BENJAMIN J. DAVIS remarked that, "Rustin calls me constantly--openly." (X)(u)

A confidential source advised on February 19, 1964, that BAYARD RUSTIN contacted BENJAMIN J. DAVIS on those dates and sought his advice as to how he could escape from a speaking engagement to which he was committed. On the latter contact, DAVIS told RUSTIN that he was working on his request and had contacted friends who had contacts with the group to which RUSTIN was to speak. (X)(u)

1. Cited as a Communist front.

(Special Committee on Un-American Activities, House Report 1311 on the CIO Political Action Committee, March 29, 1944, p. 149).

2. Cited as a Communist front which "is the foremost legal bulwark of the Communist Party, its front organizations and controlled unions" and which "since its inception has never failed to rally to the legal defense of the Communist Party and individual members thereof, including known espionage agents." (Committee on Un-American Activities, House Report 3123 on the National Lawyers Guild, September 21, 1950, originally released September 17, 1950.)

ENCLOSURE

817

COMMUNIST INFILTRATION OF THE  
SOUTHERN CHRISTIAN LEADERSHIP  
CONFERENCE - SCLC

CONFIDENTIAL

On October 25, 1965, Chicago T-2 furnished substantially the same information as set forth above; however, added the following: ~~(S)~~ (u)

Those who attended the Williams Bay Conference reported that Dr. King, Reverend James Bevel, Reverend C. T. Vivian and Reverend Andrew Young, all from the SCLC, dominated the Conference by conducting a continuous dialogue telling the delegates how to overcome the various problems in the Chicago area. Dr. King served as the "expert" on the issue of Jobs; Reverend Bevel served as the "expert" on Housing; while Reverend Vivian served as the "expert" on Political Action. ~~(S)~~ (U) *Williams*

The delegates were told that if they have been using the same approach or method to solve a certain problem for the past 10 years without any success, they then should utilize a new method of approach. They were further told that fear is the biggest obstacle on the part of the people participating in the civil rights struggle. They were also told that one problem which a city like Chicago would encounter is that of petty jealousies which exist among the various civil rights leaders. In this regard they were told that the leaders must realize that each has a role to play and once they recognize this, they can move forward. ~~(S)~~ (U)

Chicago T-2 advised that according to the discussions, the SCLC did not make an overnight decision to come to Chicago but rather they discussed this move for a long time. They, however, finally came because of the CCCO which they felt had the necessary leadership to work out a real program that will change the situation in Chicago. ~~(S)~~ (U)

CONFIDENTIAL

COMMUNIST INFILTRATION OF THE  
SOUTHERN CHRISTIAN LEADERSHIP  
CONFERENCE - SCLC

~~CONFIDENTIAL~~

Chicago T-2 further stated that from the remarks made, the overall outlook or analysis of the civil rights struggle in Chicago is that Dr. King and the SCLC have no concrete program for Chicago at this time and that the SCLC is still probing for the correct answers. No mention was made as to how many individuals Dr. King has in the Chicago area from the SCLC. (C) (U)

Chicago T-2 stated that reportedly group meetings are continuing in Chicago which are searching for answers. In this connection the CCCO Labor Committee is attempting to set up an official meeting with Al Raby, the CCCO Convenor, and Reverend Bevel. (C) (U)

According to Chicago T-2, one CCCO Labor Committee delegate who attended the Williams Bay Conference stated that there yet has been no approach worked out as to the problems of Chicago, particularly in regard to the school situation, jobs and poverty. This same delegate was concerned as to how the civil rights organizations in Chicago can form a united front to attack these problems since there are such diversified groups of people in the Chicago area. (C) (U)

According to Chicago T-2 the general feeling appears to be that everybody who attended the Williams Bay Conference was greatly impressed as to how the conference was conducted but all agreed that actually no program came forth. (C) (U)

Chicago T-2 advised that at the meeting on October 22, 1965, it was announced that on October 28, 1965, there will be held a "Labor Civil Rights Rally" at the Packinghouse Workers (C) (U)

## PURPOSE:

To advise of current developments concerning allegations that stolen vehicles have been sold to officials of the Southern Christian Leadership Conference (SCLC) to cover up their shortages of funds in the SCLC and to provide transportation for civil rights workers. SCLC is headed by Martin Luther King.

## BACKGROUND:

Andrews is a white male who was convicted for violation of the Interstate Transportation of Motor Vehicle (ITSMV) Statute in 1960. He alleges that, at the request of Morris Finley and Hosea Williams, officials with the SCLC, he rented three cars, subsequently selling them to Williams and Finley. Andrews had rented another car, which he indicated was to be also sold to the SCLC and an authorized complaint was filed, charging him with violation of ITSMV Statute for transporting this car from Florida to South Carolina. Andrews is presently out on bond.

Andrews also alleged that Finley told him the SCLC has plates to make counterfeit money in \$20 denominations, that they had facilities for printing Georgia titles for stolen automobiles, and are printing payroll checks drawn on an electrical concern in Nebraska, which they intended to cash in Nebraska. Purpose of these activities was to conceal shortages in SCLC accounts and to pay off civil rights workers.

## CURRENT DEVELOPMENTS:

Investigation has determined that one automobile Andrews rented in Atlanta, Georgia, was sold to one Lester Hankerson, who is an assistant to Hosea Williams in the SCLC. Hankerson has an extensive criminal record.

Memorandum to Mr. Belmont  
Re: HAROLD BELTON ANDREWS

On 9/24/65, one Brigido Cabe was arrested by the Georgia State Patrol in possession of this car. Cabe stated that Hosea Williams furnished him the keys for this car. Cabe possessed a fictitious bill of sale and registration. Police determined this car was the property of Hertz Corporation, Atlanta, which recovered automobile.

Another car, believed to be identical with one obtained by Andrews and sold to the SCLC, has been observed at the residence of Morris Finley. It is believed that Hosea Williams has the fourth car and the Atlanta Office currently has Williams under surveillance in an effort to observe him in it.

We have not advised Secret Service of Andrews' allegation that the SCLC possesses counterfeit plates since to do so could jeopardize our case and would necessitate premature interviews with Finley, Cabe and Hankerson. *Don't wait too long.*

Our Omaha Office has determined that a number of fictitious checks have been passed in Nebraska, drawn on the account of the General Electric Supply Company, Omaha. While these checks have been passed intra-state, these may be the checks referred to by Andrews.

#### OBSERVATIONS:

Investigation of the allegations made by Andrews concerning the theft and sale of automobiles to SCLC appears to be accurate. According to Andrews, the SCLC also possesses 13 more automobiles, the origin and identities of which are unknown. Atlanta has determined that two additional automobiles in possession of SCLC employees could be stolen since both have license plates which are not assigned to these cars, according to records of the Georgia Motor Vehicle Bureau.

Our investigation is directed toward obtaining a prosecutable case involving all participants in this matter. Hosea Williams, is the Director of Voter Registration, SCLC, and in view of his high position, any prosecutive action taken against him would result in considerable

publicity and would focus attention on the activities of the SCLC. The Atlanta Office is intensifying its efforts to locate the fourth automobile, which is believed to be in the possession of Williams. If Williams observed in this automobile, simultaneous interviews will be conducted with Williams, Finley, Cabe and Hankerson.

**ACTION:**

This matter is receiving preferred investigative attention and the Atlanta Office will keep the Bureau advised of all developments. A summary of the details in this matter is being furnished to the Department.

Today Andrew J. Young, Executive Assistant to Reverend Martin Luther King, Jr., President of the Southern Christian Leadership Conference, made available to [redacted] Associated Press, a copy of a press release which had been prepared by King.

In essence, the release indicated that King is calling upon all civil rights and religious groups whose participants heretofore have been victimized by recent tragedies in the South. King called upon these groups to join the Southern Christian Leadership Conference in planning massive action to focus national attention on miscarriages of justice which have been perpetrated in the racial South. The purpose of this massive action program is to seek passage of Federal legislation making it a Federal crime to brutalize, murder, or intimidate persons in pursuit of constitutional rights.

King stated that representatives of civil rights and religious groups have been invited to a strategy meeting to be held in Selma, Alabama, 10-29-65 at Brown Chapel, commencing at 12 noon. Young stated that participating groups will be the Student Non-Violent Coordinating Committee, National Council of Churches and the Episcopal Society on Cultural and Racial Matters.

This is to advise of discussions with Carl Belcher, Criminal Division of the Department, 10/26/65, relative to the possibility of authorizing process for subjects in this case.

In my memorandum 10/26/65, it was pointed out that according to SAC Ponder, U. S. Attorney Goodson, Atlanta, indicated he would authorize arrest warrants for Morris Finley, Charles Mize and Hosea Williams, charging conspiracy to violate the ITSP Statute. Williams is the Director of Voter Registration, Southern Christian Leadership Conference (SCLC). Morris Finley operates a printing shop in Atlanta and is a close associate of Williams. Charles Mize is associated with Williams, and Finley and he originally contacted Andrews and arranged for Andrews to steal automobiles which were allegedly sold to the SCLC in order to cover up shortages of SCLC funds.

Carl Belcher, Chief, Criminal Section of the Department, advised that U. S. Attorney Goodson had discussed this case with Fred M. Vinson, Jr. Assistant Attorney General, Criminal Division, and that both Belcher and Vinson felt that there is insufficient evidence at this time to sustain a conviction of Williams. Belcher pointed out that our case against Williams is based upon statements allegedly made by Williams to Andrews and to statements made by Finley in a telephone conversation with Andrews in which he indicates Williams has knowledge of this illegal operation. Belcher feels that the telephone statements Finley made concerning Williams may be inadmissible since they are hearsay.

Belcher feels additional direct evidence implicating Williams is necessary. He suggested in this connection that we arrange for Andrews to proceed to Atlanta with the car in which he was arrested by Bureau Agents on 10/19/65. This car, according to Andrews, was, by prearranged plan, to be taken to Finley for sale to the SCLC. Belcher also suggested that through cooperative sources we arrange for Andrews to obtain fictitious registration for this car, which would be in line with the prior instructions made by Finley to Andrews.

Memorandum to Mr. Rosen  
Re: HAROLD BELTON ANDREWS, ET AL.

Belcher's suggestion is believed highly undesirable. This automobile, which was used as a basis to arrest Andrews, has been returned to its legal owner and to get it back we would have to get the owner's authorization. Should this car become involved in an accident, the Bureau could be subjected to criticism and possibly held for legal responsibility. In addition, the legality of such a procedure is questionable and this was acknowledged by Belcher, although he felt it would be legal. Of greater importance is the fact that we would have no way of insuring Andrews' safety since it is possible that Williams or Finley is aware of Andrews' arrest and retaliatory measures could be taken against him. Without Andrews we have no case.

As an alternative Belcher suggested the facts be presented to a grand jury convening in Atlanta on 11/1/65. He felt that immediately upon convening, the grand jury could issue a subpoena duces tecum for SCLC records to determine if stolen cars are listed as assets of this organization. It was pointed out to Belcher that such a procedure would be a definite tipoff to Williams and other SCLC officials who would undoubtedly take immediate steps to dispose of the stolen cars and any other incriminating evidence.

The possibility of proceeding against Mize, Finley and Andrews, but not Williams, as well as obtaining a search warrant for the car known to be in the possession of Finley, a search warrant for Finley's printing establishment and a subpoena for SCLC records, was discussed with Belcher. He was noncommittal and stated he would like to have additional time to review all of the facts developed in this case and then discuss the matter with Assistant Attorney General Vinson.

ACTION:

The Savannah Office has submitted a report setting forth in detail all of the evidence obtained in this case to date. A copy of this report is being furnished to the Department today. In the interim the Atlanta Office is continuing to afford this case preferred attention in order to develop additional evidence implicating Williams, particularly the location of a car Andrews stole and sold to Williams. Close liaison is being maintained with the Department in this matter.

COMMUNIST INFILTRATION OF SOUTHERN

INTERNAL SECURITY - C

APPROPRIATE AGENCIES

ADVISED BY ROUTING  
SLIP(S)

A confidential source who has furnished reliable information in the past advised during the early part of October, 1965, that he had learned that within the past several days several high level meetings had been held involving Communist Party (CP) members in Chicago, actively interested in the civil rights movement locally. (C) (U)

It was learned through these CP meetings that Eugene Tournour had recently been present at meetings of the local leadership of the SCLC, and the Co-ordinating Council of Community Organizations (CCCO), a local Chicago civil rights organization which had been most prominent in the sponsoring of demonstrations and protests against Chicago's current school superintendent during the past summer. The meetings between representatives of these two organizations had been for the purpose of discussing problems of co-ordinating the joint efforts of these two organizations in working out a program of activities for the Chicago area for the immediate future. It was learned during the course of one of these high level CP meetings that Tournour had been chosen as liaison from the CCCO to SCLC. (C) (U)

The source advised that it is known that Reverend James Bevel, presently head of a group of some ten SCLC staff workers in Chicago, was aware that Tournour was fired some time ago from the staff of the Congress of Racial Equality (CORE) in Chicago for alleged "left" leanings. Bevel has recently indicated, according to the source, that he wanted more information on this situation since Al Raby, the head of CCCO, was then considering Tournour for a staff position with the SCLC. APPENDIX

W.E.B. DU BOIS CLUBS OF AMERICA

A source advised on October 26-27, 1963, a conference of members of the Communist Party, USA (CP, USA), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization would hunt for the most peaceful transition to socialism. The delegates to this meeting were cautioned against the germ of anti-Soviet and anti-CP ideologies. These delegates were also told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself. *CH*

A second conference of over 20 persons met in Chicago on December 28-29, 1963, for the purpose of initiating a "call" to the new youth organization and planning for a founding convention to be held in June, 1964. *CH*

A second source has advised that the Founding Convention for the new youth organization was held during the period of June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. DuBois Clubs of America was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are: "It is our belief that this nation can best solve its problems in an atmosphere of peaceful co-existence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-communism to divide and destroy the unified struggle of the working people. As young people in the forces struggling for democracy, we shall actively strive to defeat these reactionary and neo-fascist elements and to achieve complete freedom and democracy for all Americans, thus enabling each individual to freely choose and build the society he would wish to live in. Through these struggles we feel the American people will realize the viability of the socialist alternatives."

W.E.B. DU BOIS CLUBS OF AMERICA

The constitution further states this new organization shall be a membership organization open to individuals or, if five or more people so desire, a chapter can be formed which shall in turn be guided by the policies and principles of the parent organization.

The second source advised in April, 1965, the headquarters of the organization continues to be located at 1953 $\frac{1}{2}$  McAllister Street, San Francisco, California.

Both sources have advised that at the Founding Convention two officers were elected: PHILIP CHAPIN DAVIS-President; CARL ELLENGER BLOICE-Publications Chairman.

A third source advised on October 26, 1962, PHILIP DAVIS attended a CP recruiting class held at 1579 Scenic Avenue, Berkeley, California.

A fourth source advised that CARL BLOICE, reporter for the "People's World," was, on April 3, 1964, elected to the newly organized San Francisco County Committee of the CP.

The "People's World" is a west coast communist newspaper published weekly in San Francisco, California.

W.E.B. DU BOIS CLUBS  
OF CHICAGO (DCC)

On May 3, 1965, a source advised that on June 30, 1964, a group of young people who had attended the founding convention of the W.E.B. Du Bois Clubs of America (DCA) met in Chicago and adopted a statement of purpose and constitution forming the DCC as an affiliate of the national DCA.

As of May 3, 1965, there were two DCC Clubs in Chicago, one located on the north side, the other on the west side. Neither Club has a headquarters.

At a meeting of the Chicago Area of the Midwest Region of the DCA held April 3, 1965, at Chicago, TED PEARSON was elected Area Coordinator; ILENE WAGNER, Secretary; and KATHY PEARSON, Area Reporter, all of whom are current members of the Youth Club of the Communist Party of Illinois.

The Chicago Area does not have an official headquarters and is currently using TED and KATHY PEARSON's residence, 1808 North Cleveland Avenue, Chicago, Illinois; as a temporary headquarters.

The following observations are being made for the future guidance of your office in an effort to maintain the security of this valued source. (U)

It is suggested that in so far as possible information from this source be paraphrased and a limited literary license be taken in order to insure the source's security. Another example is noted in your airtel and LHM 10/28/65 reporting certain information contained in [redacted]. There was set out a verbatim recording of [redacted]. Again it would have been well to have reported the intelligence without making specific reference to [redacted]

The Bureau appreciates only too well the extra burden demanded by analyzing voluminous information coming from this source and the effort involved in preparing the information for dissemination. It is necessary nonetheless that appropriate caution be taken to protect this valuable source. (U)

To furnish a summary of pertinent developments with respect to captioned case, which involves the alleged sale of automobiles to the Southern Christian Leadership Conference (SCLC).

It will be recalled that Andrews alleges he sold stolen automobiles to Hosea Williams, Director of Voter Registration, SCLC and Morris Finley, owner of a printing shop in Atlanta, Georgia, and close associate of Andrews. This activity was allegedly initiated by Charles Mize, who is an associate of Finley. Department instructed Carl Belcher, Departmental attorney, to proceed to Atlanta and Belcher authorized arrest and search warrant of Finley, charging violation of Interstate Transportation of Stolen Property - Conspiracy Statute, based on statements Finley made to Andrews that he printed fictitious checks on an electrical supply company in Nebraska and that similar-type checks known to have been cashed in Nebraska.

Arrest and search warrants executed by Bureau Agents 10/29/65. Search of Finley's printing company uncovered no pertinent evidence. One of the automobiles sold by Andrews to Finley located on printing company premises and automobile seized on authorization of Mr. Belcher. Finley afforded Commissioner's hearing and released on \$1,500 bond.

Finley interviewed by Bureau Agents and admits purchasing three cars from Andrews not knowing they were stolen. He states he paid \$1,100, \$1,300 and \$1,500 for cars, which is considerably more than Andrews alleges he paid. Finley claims he sold two cars to SCLC and that he received checks from Hosea Williams.

Memorandum to Mr. Belmont  
Re: HAROLD BELTON ANDREWS, ET AL.

Charles Mize interviewed, denies knowledge of any part of transactions between Andrews and Finley. Andrews' girlfriend could furnish no pertinent information but corroborates Andrews' statement that she placed him in contact with Mize.

Finley furnished information indicating that Hosea Williams is aware of stolen status of automobile sold to him by Andrews and that this car is hidden somewhere near Williams' home.

Based upon Finley's statements implicating Williams and Mize, U. S. Attorney said he would, on his own authority, authorize the arrest of Mize and interview with Williams in order to locate car number two. At Bureau direction Atlanta was instructed to locate Belcher and obtain his opinion before proceeding on authority of U. S. Attorney. After being contacted, Belcher declined to authorize and has requested conference with SAC, Atlanta today in order to review entire matter. Belcher will then consider whether involvement of Mize and Williams should be presented to a grand jury which convenes in Atlanta on 11/1/65.

This is the case involving one Harold Andrews, a convicted auto thief, who came to our agents and advised he had been in a scheme with persons connected with the Southern Christian Leadership Conference (SCLC), Martin Luther King's organization, in stealing cars and selling them to the organization at reduced prices.

On the afternoon of 10/28/65, Assistant AG Vinson asked me to come down to see him, and it turned out he wanted to discuss this case. Vinson said the Department is proceeding cautiously because of the strong repercussions that would occur in the event action was taken against members of King's outfit unless we had a case that would stand up. For this reason he has sent Departmental Attorney Carl Belcher down to Atlanta to go over the facets of the case with the US Attorney.

Mr. Vinson said there are several aspects of the case that require study. For example, Andrews is an experienced car thief who has served time and has a long criminal record, and yet he admits securing the automobiles in question under his true name from rental agencies. He has given the name of his bank to these rental agencies. He also allegedly owns a used car agency himself. At any rate, Mr. Vinson feels it is difficult to understand the motive of Andrews.

Mr. Vinson noted that there is little to tie Hosea Williams, Director of Voter Registration, SCLC, in as a subject so far. Andrews states that Williams is involved, and during a conversation between Andrews and subject Finley (which we monitored legally, with Departmental consent), Finley indicates that Williams is involved. Mr. Vinson noted that Hosea Williams is a person of importance and in high favor with civil rights supporters in the South, due to his position in SCLC, and it will be necessary to have a substantial case against Williams prior to authorizing prosecution against him. For the same reason it is necessary to have a strong reason to subpoena any books or records of the SCLC, in order that the government's action in moving against the SCLC, or its members or records, cannot be misinterpreted as an attack against the civil rights movement.

Mr. Tolson

Mr. Vinson said it is not clear as to the full background of subject Finley. While it appears that he is heavily involved, not only as to the automobiles, but as to the printing of checks which are being used illegally and possibly (according to Andrews) the possessor of counterfeit \$20 plates, it is not clear so far whether he has any connection with the SCLC. Mr. Vinson felt there was no problem in getting a search warrant for Finley's printing shop, but he would like to develop further background on Finley if possible.

I told Mr. Vinson that the Bureau does not want to proceed in this case or any other case unless there is a solid basis to do so, and that this pertains to any individual or any organization that may be involved. I told him further that we have made it a practice to let the Department know of any information that might have a collateral bearing on a prosecution under consideration, and we are careful to furnish to the Department and the US Attorney all information in our possession.

I told Vinson that I wanted him to know that we had a technical surveillance on the SCLC; that the investigation conducted has been based on Andrews' story to us and leads developed from that, and there has been no investigation flowing from this technical surveillance. I told him that this technical surveillance is based on the fact that Martin Luther King has been and continues to be counseled, and advised, and guided by individuals associated with and active in the communist movement, such as Wachtel, Levison, Bayard Rustin, and O'Dell; and as a consequence of this technical surveillance we have kept the AG and other high officials in government acquainted with the influence of these individuals on King. I told him that this surveillance had been approved by the AG and that it is, of course, extremely confidential.

I told Vinson that our Atlanta Office had been instructed that any information coming over this technical surveillance, having any possible bearing on the automobile theft case, was to be completely disregarded and not recorded or reported in any form; in other words, if such information came over this technical surveillance, it was to be completely disregarded.

On the morning of 10/29/65, Section Chief Shroder and I again conferred with AAG Vinson and his assistant, Mr. Kossack. I told Mr. Vinson we had been checking into the matters raised by him yesterday. With reference to Andrews, who is a source of the information in this case, I told Mr. Vinson that Andrews is not an informant of the FBI. I told him that Andrews is acquainted with Special Agent Johnnie W. Dyer of our Savannah Office (to whom Andrews initially furnished information in this matter) because of a previous conviction in a car theft case. I told him that we do not know the motive of Andrews in exposing this

Mr. Tolson

situation. (It may be possible that Andrews' motive is based on mistreatment of his girlfriend by subjects Finley and Mize) I told Mr. Vinson we had furnished the full background of subject Finley to the Department two days ago, in so far as we are able to determine it at this time. I told him that because any open investigation by the FBI at this time will result in the disappearance of the stolen car in the possession of Finley, and the disappearance of records of Finley and probably the records of SCLC, we have not made any open inquiry.

Mr. Vinson advised that Attorney Carl Belcher is to talk with subject Andrews again this morning and then fly to Atlanta, after which Vinson will discuss with Belcher the prosecutive action that is feasible based on the situation at this time. He said that the Department is preparing a search warrant for Finley's printing shop, and he feels there is sufficient to get out process against Finley. He feels that there is insufficient to proceed against Hosea Williams, or to subpoena the records of the SCLC, inasmuch as the information against Williams and the SCLC is dependent solely on Andrews' statements.

I told Mr. Vinson that we will proceed on the basis of the Department's judgment; that if the Department authorizes against Finley and furnishes a search warrant, we would immediately open up the investigation and talk to subject Mize and Andrews' girlfriend, and conduct all other investigation that is feasible on an open basis. Vinson stated that after he talked to Attorney Belcher he would be in touch with us.

ACTION:

We are telephonically advising our Atlanta Office of the results of our discussion with the Department. While the US Attorney in Atlanta has strongly urged that we also proceed against Williams and get a subpoena for SCLC records, we must rely on the Department's decision as to whether this is feasible. Frankly, on the basis of the information we have so far, I agree with the Department that it is not feasible to proceed against Williams at this time. Atlanta is being instructed to pursue every possible lead to develop information which will furnish a basis for action against Williams or any other person involved.

In connection with the arrest of [REDACTED]

on charges of Interstate Transportation of Stolen Property, Rosenthal in the Department called at 6:25 p.m. to tell me that the Attorney General was most anxious that as little as possible be said about this particular case. I, of course, knew why Rosenthal and the Attorney General had expressed this thought but asked Rosenthal the reason for such logic. Rosenthal stated that he guessed it was because of the Southern Christian Leadership Conference relationship. He stated the Attorney General was most anxious to prevent any mention of the Southern Christian Leadership Conference.

At this particular moment, Rosenthal stated that Assistant Attorney General Vinson was calling him and he would have to get off the phone for a moment. After approximately 30 seconds, Rosenthal came back on the phone and stated Vinson had told him that all papers filed on this matter in Atlanta were secret and therefore there was no need for the FBI stating anything. I told Rosenthal that if the FBI made an arrest we would very definitely answer inquiries from the press in a truthful manner. I told him that the FBI did not make "secret arrests." He was further advised that if we refused to acknowledge that a subject had been arrested, this would be tantamount to being a secret police and that the FBI should not be placed in such a position. Rosenthal stated that the Department and the FBI had no alternative inasmuch as the Federal judge in Atlanta had instructed that all papers in this matter remain secret. I told him if this were true that it would seem that we had no basis for making an arrest. Rosenthal stated that I obviously had a point there.

Rosenthal indicated that he hoped that the only thing the FBI would state, in the event we did receive inquiries, was "A preliminary hearing will be held at such-and-such a time." He stated in this manner we would not even have to mention the name of the subject. I told him this wasn't even half logical, that if we

made an arrest and a reporter, who already knew the name of the subject, asked us if a specific subject had been arrested, we must of course acknowledge such an inquiry truthfully. Rosenthal reiterated that he thought that we should only answer by stating that a preliminary inquiry would be held at such-and-such a time. He was told that this was ridiculous, that even if we did indicate that a preliminary inquiry would be held--in answer to a specific inquiry--this in itself was acknowledging that a specific subject had been arrested. Rosenthal stated that he guessed that the FBI was right on this point. He then stated that he hoped that any information given the press in this regard could be held to answering inquiries and that those inquiries could be answered simply by acknowledging that so-and-so had been arrested on charges of interstate transportation of stolen property and that an arraignment would be held at such-and-such a time. I told him that this was satisfactory and was usually the type information that we put out.

I specifically advised Rosenthal that, while we would not purposely put out information that the subject may have had any connections with the Southern Christian Leadership Conference, this of course might be dug up by some alert reporter. Rosenthal answered by stating he hoped this would not come out.

Rosenthal was advised that the complaint in this matter seemed to have been considerably watered down inasmuch as it concerned only an interstate transportation of stolen property violation rather than several other angles which might have been included, namely the interstate car theft linking the case with the Southern Christian Leadership Conference.

In conclusion, I told Rosenthal that it is the FBI who will get the brickbats in this matter, if any, and not the Department, and that we simply would not sit still for this kind of treatment.

I called SAC Ponder in Atlanta immediately after talking with Rosenthal and informed him of the above conversation. I instructed him to answer inquiries in accordance with the above. SAC Ponder told me that an Assistant U. S. Attorney had just called him saying the judge had instructed that Ponder could only answer inquiries by giving the subject's name, the charge, and the fact that a preliminary inquiry would be held soon. The Assistant U. S. Attorney further said that if Ponder stated anything else he would be held in contempt of court.

OCTOBER 25, 1965  
RACIAL MATTERS

"Chicago's American", a Chicago daily newspaper, issue of October 28, 1965, contains an article entitled "Rights Leaders to Co-ordinate Activities Here." The article reflected that a meeting of 15 local groups concerned with racial problems was to be held on this date at the Liberator-Blackstone Hotel in Chicago, the focus of the conference to be questions of school problems, employment, and housing. The keynote address at the conference was to be delivered by Dr. Paul Mundy, Loyola University, Chicago, Sociology Department, who was to speak on "Civil Rights in Chicago: An Overview."

Another featured speaker was to be the Reverend Andre Young, Executive Director of the Southern Christian Leadership Conference (SCLC) who was to address the gathering on the subject of "S.C.L.C. Looks at Chicago." The general chairman of the meeting was to be Theodore Jones, Vice-President of the Supreme Life Insurance Company who was quoted in this article as follows:

"The purpose of the meeting is to bring together the directors of these 15 organizations to improve understanding and communications among them with the thought that this might involve these groups more actively in efforts to expand racial opportunities and improve racial harmony."

According to this article, among the groups who were to be represented at this affair were such as the Catholic Interracial Council, the Anti-Defamation League, the Urban League, the National Association for the Advancement of Colored People, the Presbytery of Chicago, and the like.

The "Chicago Sun-Times," a Chicago daily newspaper, issue of October 29, 1965, reported that a conference of 15 Chicago agencies interested in the civil rights movement had met on the previous day in Chicago and that one of the featured speakers had been Reverend Andrew J. Young, a top assistant of Dr. Martin Luther King, Jr. of the SCLC. The article reflects that Reverend Young had told board members of the various 15 agencies, meeting in the Sheraton-Blackstone Hotel, that each group should recruit 1,000 persons who are aware of the most important issues in the civil rights movement and who are willing to work and contribute what they can to the movement. He stated that, "15,000 committed people could change Chicago," adding that the SCLC campaign in Chicago will continue "until the change comes."

Young listed three reasons why Chicago had been selected as a center for its efforts in northern cities:

1) The "promising" leadership of the civil rights movement here was cited, Young singling out for praise Albert Raby, Convenor of the Co-ordinating Council of Community Organizations (CCCO), as "one of the most promising young men in the North anywhere;"

2) Chicago's political machine, which Young termed powerful enough to turn over rights to the people "all the way down the line" if it can be persuaded to do so;

3) All the problems of segregation in northern cities are exemplified in Chicago. "Everything here is either bad or getting that way," Young stated. Continuing, he stated the main problem faced by the SCLC in Chicago is to devise direct-action methods to "dramatize the civil rights issues." Young indicated that the public schools in Chicago as well as local job opportunities for Negroes will be two of the main concerns of the SCLC effort in this city.

During his appearance before this group, Young was questioned as to the SCLC timetable for Chicago and he stated, "We'll have some action and some progress by the time people start going to the beaches."

This is to advise of current developments with respect to captioned matter, which involves the theft of automobiles and their alleged sale to officials of the Southern Christian Leadership Conference (SCLC).

By way of background, Andrews contacted our Agents in Columbia, South Carolina, and furnished details of an automobile theft ring in which he was stealing cars and selling them to members of the SCLC, which were being used to cover up shortages of SCLC funds. Andrews states this operation was instituted by Hosea Williams, Director of Voter Registration, SCLC, Morris Finley, an associate of Williams, and one Charles Mize, who originally contacted Andrews and arranged for Andrews to steal the automobiles.

The results of our investigation were furnished to U. S. Attorney Goodson, Atlanta, Georgia, where Williams, Finley and Mize reside. Goodson felt there was sufficient evidence available to issue Interstate Transportation of Motor Vehicle - Conspiracy process for all subjects. He contacted the Department prior to authorizing and was told that the Department felt there was insufficient evidence at this time to sustain a conviction of Williams.

The Department has been furnished a report containing details of this operation and all facets of the case have been discussed with Carl Belcher, Chief, Criminal Section of the Department. Belcher pointed out that the case against Williams is based upon statements made by Williams to Andrews and on statements made by Finley in a telephone conversation with Andrews during which Finley implicates Williams. Andrews' phone call to Finley was monitored by Bureau Agents after securing approval of Andrews and the authority of the Department.

During discussions with Belcher he indicated the Department felt that this matter should proceed by indictment rather than filing of complaints and he noted that a grand jury is scheduled to convene in Atlanta on 11/1/65.

During the evening of 10/27/65, Belcher advised the Department still has this matter under consideration and that he had been instructed to proceed to Columbia, South Carolina, to interview Andrews in order to assess his potential as a witness. Belcher is scheduled to see Andrews at 11 A.M., today. Andrews is a convicted car thief and the bulk of our case would be based upon statements made to Andrews by all of the subjects.

During discussion with Belcher he displayed great concern about issuing process for Williams, based upon evidence obtained to date. He referred to the fact that Andrews is a convicted felon and that Williams occupies a high position with the SCLC.

ACTION:

We are continuing to afford all facets of this investigation preferred attention in order to obtain additional incriminating evidence against all subjects. We are maintaining close liaison with the Department as well as with the U. S. Attorney's office in Atlanta in order to be advised of the Department's opinion concerning prosecution.

Referenced New York letter points out the remoteness of establishing informant coverage in the two New York offices of SCLC in view of the personnel limitations therein. In addition, as New York indicates neither of these two SCLC offices are involved in policy decisions except as may be dictated by STANLEY LEVISON, BAYARD RUSTIN, HARRY WACHTEL or CLARENCE JONES.

Atlanta shares New York's opinion that current effort to develop live informant coverage would be unproductive at this time.

BY SOUTHERN CHRISTIAN LEADERSHIP  
CONFERENCE (SCLC)

The October 27, 1965, edition of the Mobile Press, a daily Mobile, Alabama, newspaper, carried an article reporting that Hayneville, Alabama, will be the anvil on which Dr. Martin Luther King, Jr. would forge the third of his big civil rights levers. The lever this time is double edged, calling for a reorganization of the jury system and making Federal cases of civil rights killings. The drive to accomplish it was in the planning stage. Demonstrations would start sometime in November. The demonstrations would coincide with the hearing of Federal Court suits designed to accomplish by law what King seeks to achieve by demonstration. The law sought by King would forbid "systematic exclusion" of Negroes from the lists of prospective jurors and would require counties with such lists at present to remove all names from the jury box and refill them with a proportionate representation of Negroes. He also desires the law taking civil rights slayings out of State Courts which he claims "have abdicated their right" to try them because of "26 straight murder cases connected with civil rights in which there have been no convictions."

The Mobile Press edition of October 29, 1965, carried an article reporting that Dr. Martin Luther King, Jr. sounded a call for a strategy meeting of all civil rights and religious groups whose personnel have been "victimized by recent tragedies in the South." A conference to draw up plans for new demonstrations seeking Federal intervention in racial trials was scheduled for noon in Brown's Chapel AME Church on October 29, 1965. The news release reports that Hayneville, Alabama, had been designated as the target of a new civil rights campaign and that Selma, Alabama, was the "logical choice" as a staging area because it is the site of SCLC Alabama headquarters and, along with Montgomery, Alabama, the nearest big town from which demonstrators can commute to Hayneville.

SELMA AND HAYNEVILLE, ALABAMA

Bureau Agents observed a Negro strategy meeting held October 29, 1965, at Browns Chapel AME Church, Selma, Alabama, which commenced at 12:20 p.m., CST, and terminated at 4:00 p.m., CST. There were about 50 persons in attendance. SCLC representatives from Atlanta, Andrew Young, Ralph Blackwell and Hosea Williams, announced that the meeting was for the purpose of exchanging ideas concerning future demonstrations in Alabama. Andrew Young stated that demonstrations would be staged in those Alabama cities where civil rights workers have been murdered. The purpose of the demonstrations would be to inform Congress of their desire for additional Federal legislation to protect civil rights workers. Finalized plans would be released from SCLC, Atlanta, in the future. It was noted that City, County and State officers observed the meeting. There were no incidents.

With reference to the captioned case which has been the subject of numerous memoranda, Mr. Carl Belcher of the Criminal Division of the Department, Atlanta, Georgia, authorized prosecution of subject Morris Finley for violation of Section 2314, Title 18, Interstate Transportation of Stolen Property (ITSP), based on the allegation that Finley was printing checks and causing them to be transported in interstate commerce. U

Finley was arrested by Bureau Agents on October 29, 1965, and furnished some information to show guilty knowledge on his part, as well as Hosea Williams, Director of Voter Registration, Southern Christian Leadership Conference (SCLC), in connection with the stolen cars. Finley denied being involved with fictitious checks. Subsequent to the arrest of Finley, all information available was made known to Mr. Belcher of the Department. U

On October 30, 1965, U. S. Attorney Charles Goodson advised Bureau Agents he would authorize the arrest of Charles Mize. (Mize arranged with Andrews to steal these automobiles to be sold to Williams and allegedly the SCLC.) He also stated he desired Hosea Williams to be interviewed. Because of the Department's handling of this matter, the Atlanta Office was instructed to contact Mr. Belcher of the Department immediately in order to obtain his concurrence to proceed with the necessary investigation if Mr. Belcher would authorize it. Belcher did not authorize this course of action. U

We have kept the Department fully advised of all developments in this case and current reports are being furnished to the Department today reflecting all investigative activity to date. All conversations with Departmental representatives in Washington have been confirmed in writing and we will see that any conversations that the Atlanta Office has had with Departmental representatives in Atlanta are reduced to writing. [On October 29, 1965, Chicago T-1 advised as follows:]

On October 28, 1965, a number of United Packing House, Food and Allied Workers (UPFAW), Locals in the Chicago area, sponsored a "Labor's Rally for Civil Rights" meeting held at the United Packing House Workers Center, 4859 South Wabash Avenue, Chicago, Illinois. It originally was anticipated that at the minimum 500 to 600 people, mainly from the UPFAW would be in attendance, however, it was estimated that only approximately 180 were present. J

~~MEMBER OF SUBJECT ORGANIZATION~~  
Reverend James Bevel from the SCLC was the main speaker and advised the group that the purpose of this meeting was to gain the support and assistance of labor in the Civil Rights struggle in the Chicago area. Reverend Bevel stated that in the struggle, five points of interest are being explored, namely, Political Action, Housing, Education, Jobs and Poverty. He stated that the Political Action area has been assigned to the Coordinating Council of Community Organizations (CCCO) Labor Committee, and that the CCCO Labor Committee plans to develop techniques of political education, stressing the advantages of independent political action; exposing the exploitations of the Negro community by the "Daley Machine" in Chicago; J

and selecting independent candidates with the objective of exposing Negro politicians. U

Reverend Bevel stated that all activities will be channelized through the CCCO. He further pointed out that in an attempt to build broad forces in each of the five areas previously mentioned, it will take at least six months. He pointed out that in order to get the Political Action program moving in Chicago, it must be accomplished by the lower echelon from the labor unions. U

Reverend Bevel brought out that in these five areas to be explored, they are anticipating support from the Student Non-Violent Coordinating Committee, Congress of Racial Equality, Rank and file labor, and a number of community organizations. He stated that the SCLC will assist in developing and guiding a Civil Rights program for Chicago through CCCO. U

Reverend Bevel projected no definite program, and did not seem as impressive as was expected since after his speech it was observed that 40 to 50 individuals left the meeting. U

Jack Burch, an official of the United Electrical, Radio and Machine Workers of America (UERMWA), in Chicago, spoke of labor's duty to support a Political Action program in the Civil Rights struggle in Chicago, both from a financial and man-power standpoint. Burch also spoke of the necessity of having a coordinator between labor, CCCO and the SCLC, and recommended that the CCCO Labor Committee finance such a person. U

Burch projected no definite program. No future follow up meeting was scheduled by this group and it appeared that this meeting was had mainly for the purpose of "feeling out" certain labor unions or groups in the Chicago area for the purpose of determining what support CCCO can muster from labor. Workers of America was established in 1936, at a convention in Buffalo, New York. At that time the organization was called the United Electrical and Radio Workers of America. Shortly thereafter, a large group of American Federation of Labor machinists' locals joined the UE and the full name became the United Electrical, Radio and Machine Workers of America (UE). U

"The UE is known as an 'International Union' because companies of both the United States and Canada are under contract." U

"100 Things You Should Know About Communism and Labor," prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D. The "United Electrical, Radio and Machine Workers of America" was listed as one of the unions which was expelled from the Congress of Industrial Organizations in 1950 because of its communist domination. The "Internal Security Annual Report for 1957, Report of the Subcommittee to Investigate the Administration of the Internal Security Act and other Internal Security Laws, of the Committee on the Judiciary, United States Senate," on page 61, refers to UE as "one of the strongest communist controlled unions in America." Re Atlanta letter to Bureau, dated 10/19/65. U

On 10/27/65, a search of the records of the New York County Clerk's Office, New York City, by SA [redacted] failed to indicate any record for an incorporation in New York City for Southern Christian Leadership Conference (SCLC) Institute of Non Violence, American Foundation on Non Violence, or American Institute on Non Violence. Inquiry indicated that it is frequently as long as two months after incorporation papers are submitted to the Secretary of State's Office in Albany, New York, before these papers are returned to the New York County Clerk's Office. U

b6  
b7c

For information of Albany, sources of the Atlanta and New York Offices have recently indicated that MARTIN LUTHER KING and his organization, the SCLC, are planning to set up a new tax exempt organization having an affiliation with SCLC. The sources have indicated that the names SCLC Institute of Non Violence, American Foundation on Non Violence, and American Institute on Non Violence, are names which have been considered by KING and the SCLC for the new tax exempt organization. The NYO was requested to check pertinent records to determine whether any of the above organizations have been organized in New York City. U

It was stated on cover page B that an extra copy of rerep was being furnished the Bureau for Bufile concerning CIRN "due to the close association of the SCLC to that field." In the future, it will not be necessary to furnish the Bureau an extra copy for the Bufile concerning CIRN inasmuch as, according to Bureau instructions relative to CIRN reports, pertinent information developed in captioned matter is also reported in the quarterly CIRN reports. U

It was also noted that in numerous instances the specific dates information was received from concealed sources were not indicated in rerep; only the month and year were listed. You are reminded of Bureau reporting procedures which call for the setting forth of specific dates information is received. If the reason specific dates was not set forth was because you intend to afford sensitive sources further security, you should bear in mind that frequently this same information has previously been reported by letterhead memoranda which does contain specific dates information was received. There would, therefore, be no reason why the specific dates should not be set out in reports. U

It is further noted that cover page A carried the date of rerep 10/22/65 whereas page 1 carried the date 10/25/65. As you are aware, these dates should have been alike. Take no corrective action in this instance.

The above is for the future guidance of your office in the preparation of reports in instant and similar matters.

This memorandum recommends that we furnish to the White House additional information concerning the subversive and criminal records of persons who may represent the Southern Christian Leadership Conference at the President's Conference on Civil Rights scheduled to be held at the White House, 11/17-18/65.

You will recall that in August, 1965, we furnished the White House subversive and arrest data concerning several persons, including Martin Luther King, Jr., and Bayard Rustin, [redacted] who were to be involved in the White House Conference. More recently, and pursuant to a White House request for a name check on Ralph D. Abernathy, a King aide who was also being considered for an invitation to the White House Conference, the Bureau by letter dated 11/3/65 furnished the White House a summary of information on Abernathy.

We have now learned through our sensitive coverage of the Southern Christian Leadership Conference of a recent conversation between King and a close aide, Andrew J. Young, concerning who will represent the Southern Christian Leadership Conference at the White House Conference; the influence which Rustin and Harry Wachtel (King's advisors with subversive backgrounds) are exerting on this matter; and the fact that both King and Young are not anxious to attend the Conference.

## RECOMMENDATION:

Attached for approval is a letter to the Honorable Marvin Watson, Special Assistant to the President, which reports the King-Young discussion and furnishes subversive and arrest information from our files concerning the Southern Christian Leadership Conference people involved. Separate dissemination of pertinent information is being made to the Department, Secret Service and the intelligence community.

ALEXANDER H. STEPHENS INSULTIVE  
CRAWFORDVILLE, GEORGIA ADVISED BY ROUTING  
PUBLIC EDUCATION -  
CIVIL RIGHTS ACT OF 1964 DATE 6/3-80

On November 1, 1965, a confidential source advised that on October 25, 1965, HOSEA WILLIAMS, Director of Voter Registration, Southern Christian Leadership Conference (SCLC), had addressed a meeting of SCLC staff members working in the Crawfordville, Georgia, area and Crawfordville Negro community leaders. ~~(U)~~

On this occasion, WILLIAMS severely admonished SCLC staff members and Crawfordville leaders for the lackadaisical manner in which SCLC activities in that community had been conducted up to that time. He pointed out that Reverend MARTIN LUTHER KING, JR., President, SCLC, undoubtedly would be displeased with the lack of progress made in the Crawfordville area. ~~(U)~~

WILLIAMS emphasized that the basic issue in Crawfordville concerned the right of Negro children to attend public schools in their respective neighborhoods. He declared that the people in the community understood that they had an issue to be concerned with but because of the lack of positive activity by SCLC staff members and Crawfordville community leaders, the issue had not been placed before the people in the proper manner. ~~(U)~~

WILLIAMS said that he thought in all probability when Reverend KING returned from his current travel in Europe, he would desire that SCLC concentrate its activity in Alabama and for the time being leave the Georgia situation. ~~(U)~~

Re Atlanta airtel and letterhead memorandum (LHM) 11/8/65,  
copies to offices receiving instant communication. U

It was reported that [redacted] of Chicago  
had been in contact with [redacted] subsistence worker of  
the SCLC. [redacted] told [redacted] that the SCLC is "bankrupt" and  
that the organization is dropping 70 people. [redacted] stated  
that if the SCLC was in need of money, she thought that  
possibly the organization might contact the Students for a  
Democratic Society for financial assistance. U

b6  
b7C

Atlanta observed in referenced airtel that the  
individuals referred to by [redacted] as being dropped by the SCLC  
are probably SCLC subsistence workers and not full-time  
employees of the organization. U

b6  
b7C

Because of the very indefinite nature of the informa-  
tion concerning the dropping of "70 people," the Bureau is  
withholding dissemination of referenced LHM until further  
specific information is obtained. U

Atlanta should be alert through its continuing cover-  
age of the SCLC for additional pertinent information. When  
same is obtained, submit by a supplementary LHM which may be  
disseminated along with referenced LHM, or include all  
information on this matter in a single LHM. U

Atlanta should also be extremely alert to any information  
it may obtain relative to any SCLC - Students for a  
Democratic Society connection. Keep the Bureau promptly  
advised and information which may be disseminated should be  
furnished by LHM. U

Letter to Atlanta  
Re: Cominfil, SCLC  
100-438794

NOTE:

We have recently been receiving information concerning financial difficulties of the SCLC. However, it appears that Atlanta's observation concerning the 70 people being subsistence workers rather than full-time employees is probably accurate. We will follow this matter as well as the possible SCLC connection with the Students for a Democratic Society and make dissemination at the appropriate time. ✓

RACIAL MATTER

Reference is made to Chicago memorandum dated November 2, 1965, captioned as above. U

Officer [redacted] Chicago, Illinois Police Department, advised the Chicago Office of the Federal Bureau of Investigation (FBI) on November 10, 1965, that his unit had received a report this date concerning the meeting held November 5, 1965, at the University Church, Chicago. [redacted] advised that his information reflected that this meeting was held as planned, to have featured Reverend James Bevel as special guest who was to have outlined at that time the specific SCLC Program for Chicago. U

b6  
b7c

[redacted] advised that at the inception of this meeting those present were advised that Bevel had been taken suddenly ill and would not be able to attend the affair. Consequently, although a brief meeting was held, no pertinent information regarding SCLC activities in Chicago were forthcoming as anticipated. D

b6  
b7c

[redacted] also advised that there had been no problems or incidents in connection with this meeting. U

SUBJECT: COMMUNIST INFILTRATION OF THE SOUTHERN  
CHRISTIAN LEADERSHIP CONFERENCE  
INTERNAL SECURITY - COMMUNIST

This is an informative memorandum to advise of recently obtained information indicating that the Southern Christian Leadership Conference, which is headed by Martin Luther King, Jr., is experiencing financial difficulties.

NY 3810-S\* reported on a contact between King and his communist advisor, Stanley Levison, on 11/5/65. They discussed plans for a finance meeting concerning King's organization to be held in New York City 11/12/65 and that among those to be present will be, in addition to King and Levison, other of King's advisors with subversive backgrounds such as Clarence Jones and Harry Wachtel.

NY 4092-S\* reported on a contact between Wachtel and Jones 11/5/65 when Wachtel mentioned that someone "goofed" on \$190,000. Wachtel indicated that "they" are \$190,000 short and that this matter would be discussed at a meeting 11/12/65.

NY 3810-S\* reported on a contact between Levison and Jones 11/6/65. Jones said that according to Wachtel there had been a miscalculation and that "they" have \$190,000 less than they thought they had. Levison said that he had spoken with King and King acted as if the bottom had fallen out of the world. According to Levison, the meeting on 11/12/65 will discuss mailing programs, church activities and benefits and that two hours would be reserved for Wachtel (apparently to discuss financial matters).

NY 5182-S\* reported that on 11/6/65 Jones asked Levison whether King felt that they are in a great financial crisis. Levison said that King used the term crisis but that he, Levison, did not believe it to be immediate. Levison explained that according to their figures in August 1965 they

A confidential source, who has furnished reliable information in the past, learned on November 5, 1965, that on that date Stanley Levison was in contact with Martin Luther King. King told Levison that on Friday (November 12, 1965) he would be in New York and wanted to spend the entire day, from 9:00 a.m. to 6:00pm in a finance meeting. King said they must discuss the problem immediately, that he would bring Andy (Young) and Ralph (Abernathy) (both officials of the Southern Christian Leadership Conference) (SCLC) with him, and that Stan (Levison), [redacted] (employees of the SCLC) should be at this meeting.

Levison felt that Clarence (Jones) should be at the meeting also and King agreed. King felt that Harry (Wachtel) should be at the meeting at 4:00 p.m. so they could discuss whether the drive would overlap with another drive. Levison stated that he preferred that Harry not be at the meeting because he talks too long.

The source also advised on November 6, 1965, that on that date it was determined that Stanley Levison contacted Clarence Jones. It was mentioned that Harry (Wachtel) was in Atlanta and Levison said he knew this because he had been in contact with Martin Luther King. Jones inquired about \$190,000 explaining that according to Harry (Wachtel) they had miscalculated by this amount, that is that they have \$190,000 less than they thought.

Levison said he did not know about this but that he had spoken with King and King acted as if the bottom had fallen out of the world. He added that an emergency meeting is being called for Friday (November 12, 1965) which is why King contacted him. He stated that the meeting will discuss mailing programs, church activities, and benefits, beginning at 9:00 a.m., with the period from 4:00 a.m. to 6:00 p.m. reserved for Harry (Wachtel).

A second confidential source, who has furnished reliable information in the past, learned on November 5, 1965, that on that date Harry Wachtel contacted Clarence Jones. During this contact, according to the source, Wachtel mentioned that someone "goofed" on \$190,000. He stated that they are \$190,000 short and that there would be an emergency meeting in New York on Friday, November 12, 1965.

A third confidential source who has furnished reliable information in the past, advised on November 6, 1965, that on that date, Clarence Jones asked Stanley Levison if King felt they are in a great financial crises. Levison said King used the term crisis but he, Levison, did not believe it to be immediate.

Levison explained that according to the old figures, in August, 1965, they had \$450,000 and since their income was about one third of their needs they are running a deficit of about \$70,000 a month. He added that if they were running a deficit of \$200,000 and suddenly discover they are \$200,000 short, it makes things tight. Levison continued that the present time is the worst possible time for a mailing and criticized the whole financial situation including accounting. It was stated that Ralph (Abernathy) monitors the expenses and Levison described him as pompous and ineffective. He

SAC Ponder, Atlanta, called and furnished the following recent developments concerning captioned matter, which involves the sale of stolen automobiles to members of the Southern Christian Leadership Conference (SCLC). The Atlanta Police Department advised that today Martin Luther King, Sr., visited the Police Department and presented an automobile tag receipt and bill of sale for a 1965 Chevrolet, showing the purchase amount to be \$2,795, registered to a Charles Cook.

King, Sr., told the Police Department that the SCLC had been purchasing cars but had decided to register some of these automobiles by individual rather than the SCLC. He said that he had learned that there was possibly something wrong with this car and he wanted to turn in these papers. Police Department made copies of papers and returned originals to King, Sr.

It is noted that subject Andrews stole this car and sold it to Morris Finley, who in turn turned over the car to Hosea Williams. This car could not be located although we had definite information it was hidden somewhere near Williams' residence.

Georgia Subsequently Reverend Andrew Young of the SCLC called the Atlanta Police Department and stated that this automobile was located at the Atlanta airport, having been left there by a SCLC employee prior to taking an airplane flight. Young stated that this car was registered to Charles Cook but that Cook had lost the keys to this automobile. In this connection it is noted that Charles Cook, who is employed as a cook for SCLC, was interviewed on 11/5/65, and disclaimed any knowledge of the purchase of this or any other automobiles.

Memorandum to Mr. Belmont  
Re: HAROLD BELTON ANDREWS, ET AL.

SAC Ponder advised that Agents are en route to the airport in order to process this automobile for prints and other evidence and that Agents are interviewing employees of the Atlanta Police Department who were contacted by Martin Luther King, Sr., and Andrew Young. **U**

In view of the restrictions placed on our investigation by the Department, the above developments were discussed with Mr. Carl Belcher, Criminal Division of the Department, who has been handling all prosecutive phases of this case. Mr. Belcher stated there was no objection to our Agents processing this automobile or interviewing employees of the Atlanta Police Department who talked to King, Sr. and Young. Mr. Belcher was advised that no attempts would be made to interview Martin Luther King, Sr., or Andrew Young unless specifically authorized by the Department. He stated that possibility of interviewing King, Sr., and Young would be taken under advisement and we would be advised at a later date as to what action we should take, if any. Results of conversation with Belcher will be confirmed in writing. **U**

*Declassification*  
*2-23-78 SPB/TCG*

On November 13, 1965, a confidential source, who has furnished reliable information in the past, advised that on that date, Clarence Jones and Martin Luther King, Jr., discussed the financial status of the Southern Christian Leadership Conference (SCLC). King mentioned that they are \$190,000 short and that this situation would not have come about if a safe had not been stolen. He added that they have been spending money they did not have and have been going into their reserve. U

King stated that they want to pull in all the funds they can and, in discussing ways to get big money through a benefit performance, King said he wants one bigger than they had before. King indicated that he wanted this benefit to be held at Madison Square Garden and that he would contact Sammy Davis, Jr. in the hope of having Davis get people such as Richard Burton and Elizabeth Taylor. U

King and Jones felt that it is possible to get 1,000 people who would pay \$100.00 a piece. They also planned to get Saul Mills to handle the affair. U

W.E.B. DU BOIS CLUBS OF AMERICA

A source advised on October 26-27, 1963, a conference of members of the Communist Party, USA (CP, USA), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates to this meeting were cautioned against the germ of anti-Soviet and anti-CP ideologies. These delegates were also told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second conference of over 20 persons met in Chicago on December 28-29, 1963, for the purpose of initiating a "call" to the new youth organization and planning for a founding convention to be held in June, 1964.

A second source has advised that the Founding Convention for the new youth organization was held during the period of June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. DuBois Clubs of America was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are: "It is our belief that this nation can best solve its problems in an atmosphere of peaceful co-existence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-communism to divide and destroy the unified struggle of the working people. As young people in the forces struggling for democracy, we shall actively strive to defeat these reactionary and neo-fascist elements and to achieve complete freedom and democracy for all Americans, thus enabling each individual to freely choose and build the society he would wish to live in. Through these struggles we feel the American people will realize the viability of the socialist alternatives."

W.E.B. DU BOIS CLUBS OF AMERICA

The constitution further states this new organization shall be a membership organization open to individuals or, if five or more people so desire, a chapter can be formed which shall in turn be guided by the policies and principles of the parent organization.

The second source advised in April, 1965, the headquarters of the organization continues to be located at 1953 1/2 McAllister Street, San Francisco, California.

Both sources have advised that at the Founding Convention two officers were elected: PHILIP CHAPIN DAVIS-President; CARL ELLENGER BLOICE-Publications Chairman.

A third source advised on October 26, 1962, PHILIP DAVIS attended a CP recruiting class held at 1579 Scenic Avenue, Berkeley, California.

A fourth source advised that CARL BLOICE, reporter for the "People's World," was, on April 3, 1964, elected to the newly organized San Francisco County Committee of the CP.

The "People's World" is a west coast communist newspaper published weekly in San Francisco, California.

W.E.B. DU BOIS CLUBS  
OF CHICAGO (DCC)

On May 3, 1965, a source advised that on June 30, 1964, a group of young people who had attended the founding convention of the W.E.B. Du Bois Clubs of America (DCA) met in Chicago and adopted a statement of purpose and constitution forming the DCC as an affiliate of the national DCA.

As of May 3, 1965, there were two DCC Clubs in Chicago, one located on the north side, the other on the west side. Neither Club has a headquarters.

At a meeting of the Chicago Area of the Midwest Region of the DCA held April 3, 1965, at Chicago, TED PEARSON was elected Area Coordinator; ILENE WAGNER, Secretary; and KATHY PEARSON, Area Reporter, all of whom are current members of the Youth Club of the Communist Party of Illinois.

The Chicago Area does not have an official headquarters and is currently using TED and KATHY PEARSON's residence, 1808 North Cleveland Avenue, Chicago, Illinois, as a temporary headquarters.

reliable information in the past advised that Martin Luther  
King Jr. would arrive at 7:40 PM on November 18, 1965, at

311. According to source, King would proceed directly from  
the airport to Cobo Hall at which location he would hold a  
press conference prior to being the principal speaker at  
the testimonial dinner for Congressman Diggs, Jr.

On November 16, 1965, Detective [redacted]

that at the conclusion of the dinner the doors to the location  
where the dinner is being held would be open to the general  
public in order to afford the general public an opportunity  
to hear King's speech. [redacted] also advised that the tes-  
timonial for Diggs was scheduled to be over at 11:00 PM and  
that no information was available at this time as to whether  
King contemplated remaining in the Detroit area overnight.

You will recall that my memorandum to you 11/8/65 recommended, and it was approved by the Director, that we furnish to the White House derogatory information from our files concerning individuals connected with the Southern Christian Leadership Conference which that organization intended to represent it at the White House Conference on Civil Rights, 11/17-18/65.

We have learned through our sensitive coverage of the Southern Christian Leadership Conference, which is headed by Martin Luther King, Jr., that on 11/16/65 King complained to his Washington representative, Walter Fauntroy, that some of their key people had not been invited to the Conference. Of six individuals named by King, four were individuals concerning whom we had furnished the White House derogatory information. These individuals were Randolph Blackwell and Lawrence Reddick, former Communist Party members; Harry Wachtel, who also has a subversive background; and Dorothy Cotton [redacted]

## OBSERVATIONS:

We may be overly optimistic, but perhaps this is a favorable trend. We will continue, as in the past, to furnish the White House derogatory information concerning King's people who indicate possible association with the White House.

## RECOMMENDATION:

This is for your information.

A confidential source, who has furnished reliable information in the past, advised on November 16, 1965, that on that date, a person believed to be Saul Mills, contacted Clarence Jones. Jones informed him that he had been talking to Martin Luther King about Saul Mills and that King remembered "you" from the Gandhi Society. Jones continued that he and Harry (Wachtel) had discussed Saul's playing a role and that Harry said to propose it. U

Saul requested that this information not be divulged to anyone. He noted that Harry (Wachtel) had mentioned it to him, that he might see Harry to discuss it further, and wanted to get Jones' point of view on what the role would be. U

Jones informed him that there are two areas, one, the newly named ~~American Foundation for Nonviolence~~ (AFN), formerly the ~~Gandhi Society~~, and the other the special projects operation of the Southern Christian Leadership Conference (SCLC). Jones stated that the supervision of how the AFN conducts its fund raising would be exclusively under Saul's direction. As regards the special projects operation of the SCLC, sometimes referred to as benefits or special events, there would be two people. (Mills and Harry Wachtel). In this area, Saul would develop a program and a continued involvement in a given area which would be separate and apart from and not in competition with the other. U

Jones continued that he (King) wanted Jones to assure him that if Saul were persuaded to do this for the foundation, that the foundation would not take Saul away (from the SCLC itself). Jones added that Harry (Wachtel) mentioned that Saul could operate with both. Jones noted that King placed greater emphasis on Saul's coextensive role. U

Saul stated that there is a need for organizational direction of the SCLC and that he gathered there is no really supervised program. He stated further that one (role) should complement the other that you should make it look as though giving to the foundation is giving to Martin Luther King. U

Saul inquired if it was mentioned that he was to work on a professional consultant basis and Jones said it was. Saul added that he would have to guide himself with his other commitments. He said he would talk with Harry (Wachtel) that night. U

A second confidential source, who has furnished reliable information in the past, learned on November 6, 1965, that on that date, Clarence Jones and Harry Wachtel discussed Saul Mills with Wachtel, stating he would like to set him up as a consultant to the civil rights movement. They discussed the possibility of paying him \$5,000.00 and trying to get \$7,000.00 additional, which Wachtel would handle. Wachtel said he would talk to Mills and try to get him to do it. U

On May 28, 1956, a confidential source, who has furnished reliable information in the past, advised that she knew Saul Mills as a member of the CP all through the period 1938-1947. The source stated that Mills had been one of the most important persons in the CP and could be considered on the level with William Z. Foster (who was Chairman of the Communist Party, United States of America, CPUSA, during this period). The source further advised that she attended literally hundreds of meetings of the CP, at which Saul Mills was present, as well as hundreds of Trade Union meetings run by the CP. In respect to Saul Mills' knowledge of the CP nature of these meetings, the source stated that Mills was cognizant at the time they were official meetings of the CP. The source stated that she observed Saul Mills in 1944, at a meeting called by the National Committee of the CP, and observed him at a meeting of top functionaries of the CP, held following the 1944 Convention, at which time Mills delivered a speech. U

On May 25, 1956, a confidential source, who has furnished reliable information in the past, advised that in the late 1930s and early 1940s, Saul Mills was looked upon as being a highly trustworthy person and one whose word could be accepted and acted upon with respect to action the CP might take in regard to discipline cases involving individuals known to Mills.

It appears that Mills, who has a subversive background, will be very active in the AFN as well as the SCLC and that he intends to keep his involvement covert. U

Previous information concerning the origination of the AFN was reported by New York airtel and LHM 10/7/65, copies to Atlanta. U

Because of the subversive background of Mills and other individuals close to King who are involved in the development of AFN, such as Clarence Jones and Harry Wachtel, close investigative attention should be given, particularly by the New York Office, to the development of the AFN. For the time being, this matter should be handled in instant case but at a propitious time, New York should consider investigation of possible Cominfil of AFN under a separate appropriate caption. DATE: ~~6-11-85 1672 REF~~

A confidential source, who has furnished reliable information in the past, advised on November 21, 1965, that on that date, Clarence Jones, Harry Belafonte, and Andrew Young, (Executive Director of the SCLC), discussed ways of raising funds for the SCLC. ~~SLC~~

According to the source, Young told Belafonte that they were considering asking Belafonte to organize some kind of tribute for Martin Luther King. Young said, however, that before he could contact Belafonte, ~~Al Duckett~~ and George Lawrence (New York Regional Director of the SCLC) came up with the idea of having an affair for King on his birthday. Young noted that King's birthday is on January 15th, but that the affair would be held on Sunday, the 16th. ~~SLC~~

Young further commented that he and King were thinking of starting a drive in Chicago and, while there, holding a rally which would serve two purposes, one, fund-raising, and the other, interpreting to the Chicago Committee what the SCLC's movement is all about. He said they were hoping Harry (Belafonte) would assist in this. ~~SLC~~

The source advised that Jones had told Belafonte, prior to their talk with Young, that a situation had arisen with Sammy Davis, Jr. (the well-known Negro entertainer) inspired by Al Duckett. ~~U~~ 11-11

The source continued that Belafonte commented that Sammy Davis has committed himself to many things but has backed out of practically all of them. He said that he would check his calendar, and contact Young in a few days. Young stated that he hoped to have it (the affair) in New York. ~~U~~

Jones remarked that he did not want to commit the movement and prestige of Martin Luther King to the unreliability of Sammy Davis. ~~U~~

Young related that they are very low on money and have been trying to hold on and get "this big thing" going in Chicago. He said another thing they are considering is a professional football Freedom Bowl in Atlanta, which they have been talking to Al Duckett about. ~~U~~

King and Young had arrived by American Air Lines Flight 307, from Detroit, Michigan. Sergeant [redacted] Chicago Police Department, advised the Chicago Office of the FBI on November 19, 1965, that in the late morning hours of November 19, 1965, KING had been present at the Fellowship Baptist Church, 45th and Princeton Avenues, Chicago, where he had addressed some 200 Baptist Ministers gathered for a joint meeting of the Chicago Baptist Ministerial Conference. [redacted] stated that King had urged this group to support and assist the activities of the SCLC in Chicago to the extent it was possible for them to do so. Conference at the Fellowship Church, 45th and Princeton Avenue, Chicago.

The article continued that while in Chicago King had praised comedian ~~Dick Gregory~~, active locally in the civil rights movement, but had refused to state whether or not he would support Gregory in his announced intention of being a candidate for the position of Mayor of Chicago. King stated that he intended soon to sit down with Gregory to discuss this matter with him. King had stated that he had the highest respect for Gregory and they had worked together very closely in the past in connection with civil rights activities.

King also had stated, according to this article, that he planned to spend "considerable time" in Chicago after the first of the year, working on projects here to end segregation, with particular emphasis on housing and school problems. King stated that he was "still outraged" over the defacto segregation prevalent in Chicago and the "failure of the Chicago leadership to grapple with the problem of segregation."

At 10:30 a.m., November 20, 1965, Lieutenant [redacted] advised that he had learned that King did not make the 8:00 a.m. Northwest Air Lines flight for Atlanta as scheduled, and that he had no knowledge concerning King's activities or plans to depart from Chicago.

Sergeant [redacted] Chicago Police Department, [redacted] advised the Chicago Office of the FBI at 3:50 p.m., November 20, 1965, that Martin Luther King, Jr., and Reverend Andrew Young had departed Chicago at 2:45 p.m. this date, en route to Atlanta, Georgia, via Northwest Air Lines Flight 710.

Chicago will consider this information in connection with investigation requested in referenced Atlanta airtel.

Information set forth in the enclosed LHM undoubtedly refers to the American Foundation for Non-Violence (AFN).

Prior investigation by New York to determine the existence of the AFN proved negative so far as the New York City area was concerned. Information in the enclosed LHM as well as prior information from other sources has indicated the AFN was organized by HARRY WACHTEL. Assuming the AFN is correctly an incorporated business entity, it is possible WACHTEL may have had reasons to obtain its incorporation in Chicago rather than New York City.

2. Cited as a Communist front which "is the foremost legal bulwark of the Communist Party, its front organizations and controlled unions" and which "since its inception has never failed to rally to the legal defense of the Communist Party and individual members thereof, including known espionage agents." ReBulet made reference to an "appeal" of the Workers Defense League (WDL), New York City, which asks for donations to be sent to MARTIN LUTHER KING, Jr., at the New York City Office of the WDL.

[redacted] who has furnished reliable information in the past, advised [redacted]

MARTIN LUTHER KING, Jr., had allowed his name to be used during May of 1965, in an effort to help raise funds for some African entertainers who were in this country and were having difficulty in staying in this country. No new or recent WDL correspondence contains KING's name, but some late responses are still being received to the May request. The May request included KING's name, but not his signature. WDL no longer has any of the requests and no information as to where any of the May requests could be located. *X(u)*

In view of the above, no additional investigation will be conducted by the NYO concerning this matter.

Referenced LHM of 11/12/65, indicated HARRY VAN ARSDALE and LEON KEYSERLING, were being contacted to serve on the Board of SCLC's recently created American Institute on Non-Violence.

7. ~~LEON H. KEYSERLING~~, Economist, Lawyer, born 1/22/08, Charleston, South Carolina, with wife, MARY DUBLIN KEYSERLING, is listed in the current "Who's Who in America". His wife is also listed. His current position is listed as a Consulting Economist and Practicing Attorney, but he was formerly (1950-53) chairman of President's Council of Economic Advisors. NYO indices indicate several references to KEYSERLING which have involved his activities as a prominent individual, but no specific subversive information was contained.

HARRY VAN ARSDALE, is currently listed in NYO indices as President, New York City General Labor Council. No investigation has ever been conducted by NYO. Since he is very prominent in the labor movement, numerous references appear in the files, however, none appear sufficiently derogatory to warrant any type of characterization of him.

Re: Mrs. Martin Luther King

On November 29, 1965, Detective [redacted] [redacted] Detroit, Michigan, Police Department, advised that Mrs. Martin Luther King, on November 28, 1965, spoke at the New Bethel Baptist Church, Linwood and Philadelphia, Detroit, Michigan.

b6  
b7c

"The Detroit Free Press", a Detroit daily metropolitan newspaper, in its November 29, 1965, edition, on Page 3, Section A, contained an article captioned, "Viet Policy Raked Mrs. King: Peace Warrior". This article, in part, stated, Mrs. King, wife of Martin Luther King, Jr., indicated that she and the civil rights movement may play an increasingly active role in the peace movement. Mrs. King said that she is not sure some American policymakers want a negotiated end to the war in Vietnam.

"I think there are people (in the government) who are sincere in feeling we can win the war with military might. I'm not sure they want it to end in any other way."

The article goes on to state that her appearance here followed her participation Saturday, November 27, 1965, in the March in Washington of 25,000 persons protesting American policy in Vietnam. Mrs. King was quoted as saying, "I was very sympathetic to the march and I share the goals of the peace groups."

Mrs. King further mentions in this article that she is involved in Women's Peace Movements. She stated that her husband's Southern Christian Leadership Conference (SCLC) is not yet ready to expand into the peace movement but that a large percentage of the SCLC membership supports it.

"The civil rights movement and the peace movement must work together ultimately, because peace and civil rights are part of the same problem."

Re Atlanta airtel to the Bureau 10/18/65, relating to one "HERBERT COULTER" (phonetic) and setting forth leads to determine whether or not this individual is identical with HERBERT V. COULTON, Field Secretary, SCLC, Petersburg, Va.

HERBERT V. COULTON has been publicly identified as Field Secretary of SCLC, Petersburg, Va., with office at 244 Halifax Street, Petersburg, Va. He is married to MAXINE BULLOCK COULTON and resides [REDACTED]

A review of the credit bureau records of Petersburg, Va. on 5/17/65 by SA [REDACTED] revealed that HERBERT COULTON is a Negro male, formerly employed at the Hotel Petersburg as a waiter and bellhop; Central State Hospital, Petersburg, as an attendant from 8/59 to 4/62. His current credit record was considered satisfactory and no arrest record was reflected at that time in the files of the Petersburg PD.

b6  
b7c

On 10/11/65, COULTON informed an Agent of the FBI that the current voter registration drive in Southside Virginia was over and that all personnel of the Summer Community Organization and Political Education (SCOPE) had left except four full time staff workers. He related at that time that SCLC considered SCOPE to be a success in Virginia.

For the information of Atlanta, considerable contact has been had with HERBERT V. COULTON during the past summer in connection with the Planned Voter Registration Drive, 4th Congressional District - Virginia (BuFile 44-28458, AT File 157-933 or 157-932). It is noted that the only information

in possession of the Richmond Office concerning COULTON is that dealing with his activities in the civil rights work relating to the voter registration drive in Southside Virginia and other related matters specifically concerning the integration movement.

It would appear from the data in the Richmond files that he has been very cooperative in furnishing information to this office concerning proposed activities of SCOPE in the voter registration drive during the 1965 summer period.

As HERBERT V. COULTON appears to be identical with the individual mentioned in reairtel, no further investigation being conducted by this office in this matter at this time, pending specific instructions from the office of origin.

The 12/3/65 issue of "The Daily Illini", University of Illinois newspaper, on Page 3, reported that University student workers are asking for volunteers to spend Christmas vacation registering Negro voters in large Southern cities. Sponsoring organization is SCLC, which directed Illini-Alabama Project in registering local Negroes in Green County, Alabama, during the summer of 1965. Illini-Alabama Project was organized by McKinley Presbyterian Foundation at University of Illinois. Above article urged interested students to attend preliminary meeting 12/14/65 at above foundation. A day of orientation for volunteers from across country will be held in Atlanta on 12/21/65, but attendance is not mandatory. Workers will then disperse to various Southern cities and live with local people, who will furnish room and board. Workers are urged to spend at least seven days on this project.

Above is submitted for information.

ReCGairtel and letterhead memorandum (LHM) to the Bureau dated 10/28/65.

Page 1 of the 11/25/65 issue of "Tocsin," an anticommunist publication originating in Oakland, California, contains the following statements:

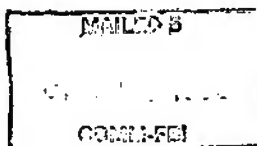

"One of the W.E.B. DuBois Clubs, Communist-spawned youth groups, is connected with Martin Luther King's Southern Christian Leadership Conference, according to the DuBois newsletter Spur.

"The newsletter said that an aide to King, Rev. James Bevel, has been active with the Westside DuBois Club in Chicago and that the club is 'an official part of the SCLC-CCCO Chicago project.' "

Referenced CGLHM sets forth some information regarding a Westside DuBois Club's attempts to participate in activities of the SCLC in Chicago. In light of the above quoted statements contained in "Tocsin," the Bureau desires to know the current extent of participation by the W.E.B. DuBois Clubs in the SCLC program in Chicago. You are instructed to review appropriate files and conduct any investigation necessary to establish the present degree of relationship between the SCLC and the W.E.B. DuBois Clubs in Chicago. Specific comment is to be made as to the accuracy of the statements quoted above from "Tocsin."

This matter is to be given immediate attention and all pertinent information developed should be promptly furnished the Bureau in form suitable for dissemination. You are to follow this matter on a continuous basis in order to insure that the Bureau is promptly aware of all efforts by subversive groups to participate in the Chicago program of the SCLC.

The San Francisco Office is requested to furnish the Bureau a copy of the issue of "Spur" referred to in "Tocsin."

NOTE:

We have previously received information that the W.E.B. DuBois Clubs were attempting to participate in SCLC activities in Chicago. However, we have no information that the Westside DuBois Club in Chicago is "an official participant" of the SCLC program in Chicago as reported by "Tocsin." The SCLC is cooperating in Chicago with the Co-ordinating Council of Community Organizations (CCCCO), a local Chicago civil rights organization.

Southern Christian Leadership Conference  
200 W. 57th Street  
New York City, New York 10019

Attention: Rev. Martin Luther King, Jr.

Sir:

This is to advise that I request that my name be stricken from your mailing list. I have never supported your organization, as I feel that it in no way represents any of our American ways of life, and that you and the Southern Christian Leadership Conference have only agitated - and succeeded in a small way - in dividing the American population. Of course, I am aware that you, Rev. King, have probably done this for financial gain or for personal prestige. I feel that future generations will place you in the same category as "Benedict Arnold".

As I stated above, I have never supported your organization financially or any other way and do not want to receive anymore of your literature.

I am sending a copy of this letter to the Federal Bureau of Investigation, and ask them to help in the matter to see that you don't solicit from individuals without their requesting the solicitation.

On the afternoon of 12-14-65 SAC Ponder of our Atlanta Office called concerning the captioned matter. According to Ponder, he had just received information from [redacted]

[redacted] that a man with the Long Committee had interviewed him concerning technical coverage in the Atlanta area.

SAC Ponder said that King told him that the man who contacted him was Gordon Homme, former United States Attorney on Guam, presently with the Long Committee. Homme was in King's office for approximately three hours and was interested in finding out what technical coverage was currently in operation in the Atlanta area. He specifically asked King whether the FBI had any technical coverage. King told Homme he was unaware of any technical coverage presently in operation by the FBI in the Atlanta district (for the Director's information, we do have one security technical installation on the office of the Southern Christian Leadership Conference - Martin Luther King's organization in Atlanta).

King stated that Homme appeared to be primarily interested in technical coverage which had been or is being utilized by the Alcohol and Tobacco Tax Unit of the Treasury Department and like coverage by the Internal Revenue Service. Homme indicated to King that he has knowledge of technical surveillances in Texas, Kansas, Florida and California. He was not specific concerning technical coverage in these states and did not indicate they were being utilized by any specific agency. King was of the very definite impression, according to statements made by Homme, that the Long Committee plans to hold hearings in Atlanta, Georgia, sometime in the future.

In this regard, SAC Ponder asked that he be advised as soon as possible in the event the Long Committee does plan to hold hearings in Atlanta.

RE: UNITED STATES SENATE COMMITTEE ON THE  
JUDICIARY SUB -COMMITTEE ON ADMINISTRATIVE  
PRACTICE AND PROCEDURE

ACTION:

The technical coverage we have on Martin Luther King's organization, the Southern Christian Leadership Conference, was installed for the express purpose of assisting us in our investigation to determine the extent of communist penetration into the organization. Inasmuch as this coverage is connected directly with a security investigation, it is not felt we should discontinue it at this time.

In the event the Crime Records Division determines that the Long Committee does plan to hold hearings in Atlanta, the Atlanta Office should be immediately advised.

RE: COMMUNIST INFILTRATION OF  
SOUTHERN CHRISTIAN LEADERSHIP  
CONFERENCE (SCLC)

On December 13, 1965, Birmingham Confidential  
Informant T-1 made available a copy of [redacted]

[redacted] a copy of which is attached  
hereto. W

b7D

[T-1 also advised on December 13, 1965, he had recently learned that several SCLC field workers were working in the Birmingham area at the present time, passing out leaflets at local and Bessemer, Alabama, Negro high schools concerning Martin Luther King's speech at the mass meeting of the Alabama Christian Movement For Human Rights (ACMHR) on Monday night, December 13, 1965. W

[Birmingham T-1 also advised he had learned that Federal registrars were scheduled to arrive in Birmingham during the week of December 13, 1965, and he was of the opinion Reverend Martin Luther King would still appear as the main speaker at the ACMHR mass meeting on the evening of December 13. However, he was of the opinion that the scheduled march on the Jefferson County Courthouse, Birmingham, Alabama, would probably be affected by the presence of Federal voting registrars and it was entirely possible that the march would be called off as a result of the Federal registrars working in the area registering Negroes. Above airtel requests WFO to attempt to identify [redacted] and to ascertain the identity of the subscriber to telephone number 382-3165. L

Indices, WFO, contain no information concerning anyone who can be identified with the [redacted] mentioned in referenced LHM. [redacted] advised SA WILLIAM D. A pretext telephone call on 12/17/65 revealed that 382-3165 is the office of Urban Renewal and that number is assigned to the office of [redacted].
